Lutheran High School West

1971 — A Year of Growth

The kingdom of God is as if a man should scatter seed upon the ground, and should sleep and rise night and day, and the seed should sprout and grow, he knows not how. The earth produces of itself, first the blade, then the ear, then the full grain in the ear. — *Mark 4: 26-28.*

GROWTH — Sending roots down into rich soil; sending that first, tentative shoot above ground from a world of darkness; strengthening that shoot till it becomes a thriving plant; yielding fruit; starting the cycle again; branching out; this is growth.

God makes young things grow. He makes them grow here at Lutheran High. He makes young minds grow in the classroom; makes athletes grow on the field, on the court, on the diamond; makes students grow in fellowship at dances, at games, at concerts.

This year, 1971, growth is especially evident at Lutheran High. The school has grown physically; the long-awaited addition is under construction. The *Aureole* staff invites you to consider growth, your own and the school's, as you page through *Aureole 1971*.

Administration

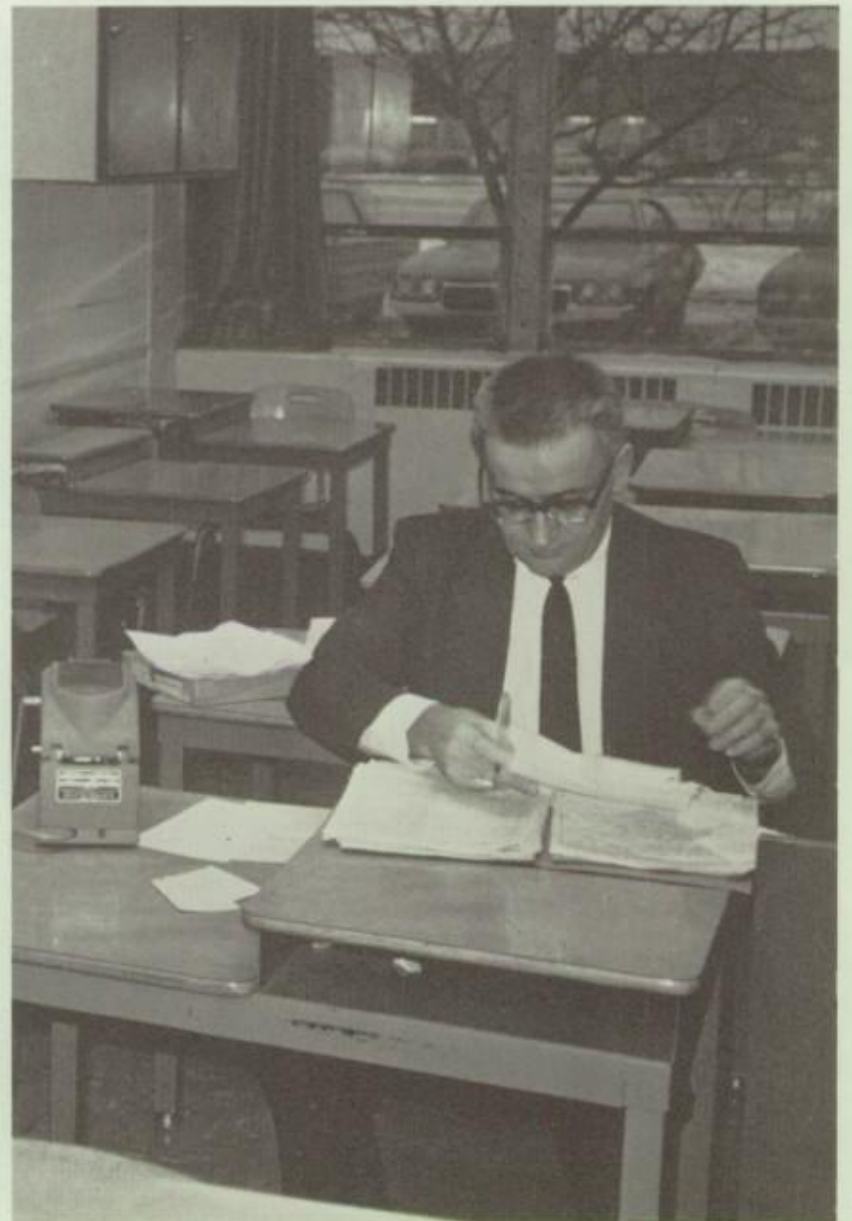

Mr. Stohlmann discusses future plans with senior, S. Collison.

The job of running the school is left to the Administrators. Dr. Stelmachowicz is West's Superintendent as well as East's, and he sees that the Board's policies are established. As Principal, Mr. Wied can be found everywhere as he goes about his duties, seeing that the school is running smoothly. Rev. Williams, our Assistant Principal, is responsible for enforcing the rules and finding substitute teachers when they are needed. Also, he works with Student Council and takes care of the attendance. One of the most tedious jobs in school goes to Miss Finzel, our Registrar; for besides being a counselor and teacher, she makes up all the schedules. As a result, much of her time in the summer goes into preparing our class orders for the coming school year. The Seniors' friend is Mr. Stohlman, who spends many hours helping seniors prepare for and apply to college.

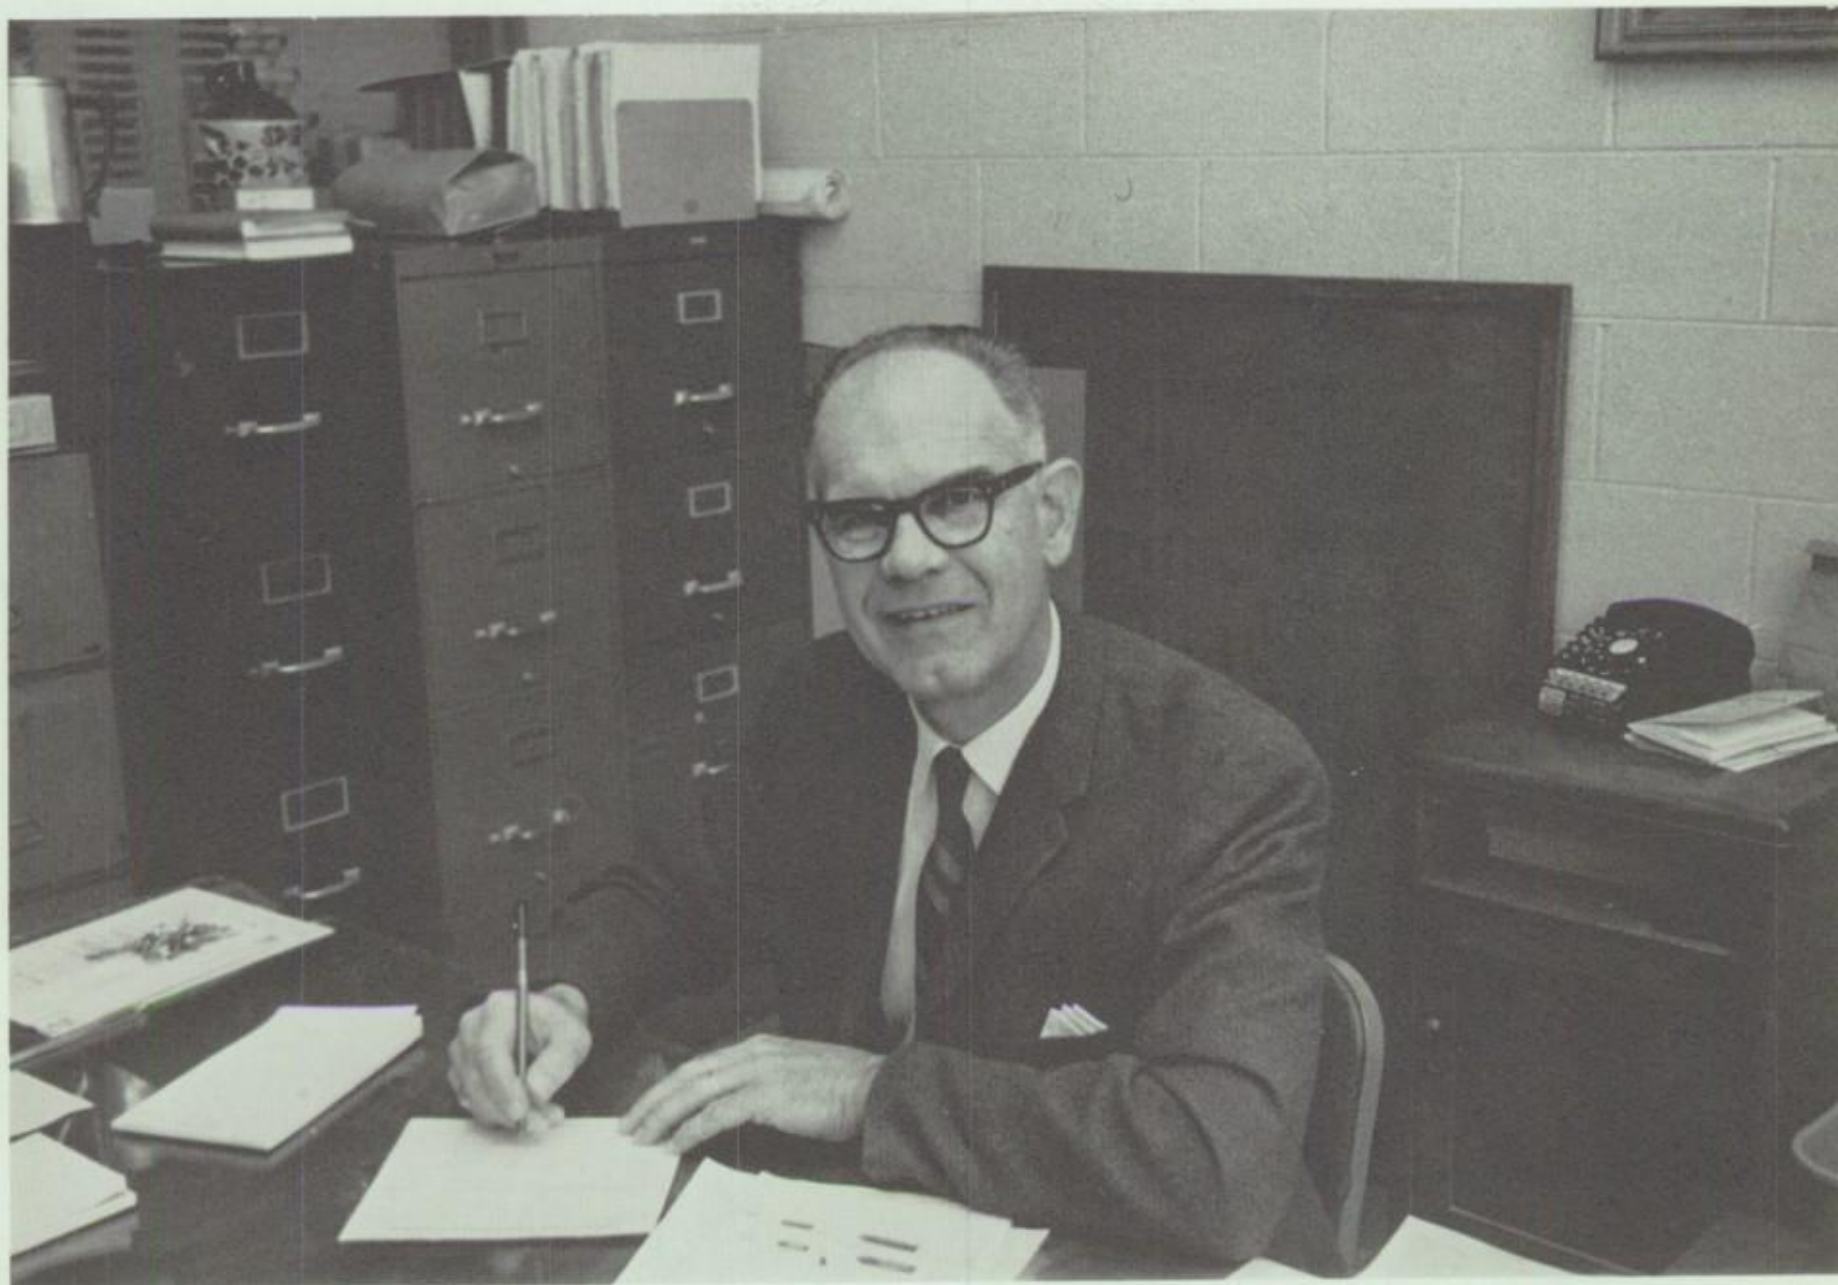

Dr. Stelmachowicz is the superintendent of both Lutheran high schools in Detroit.

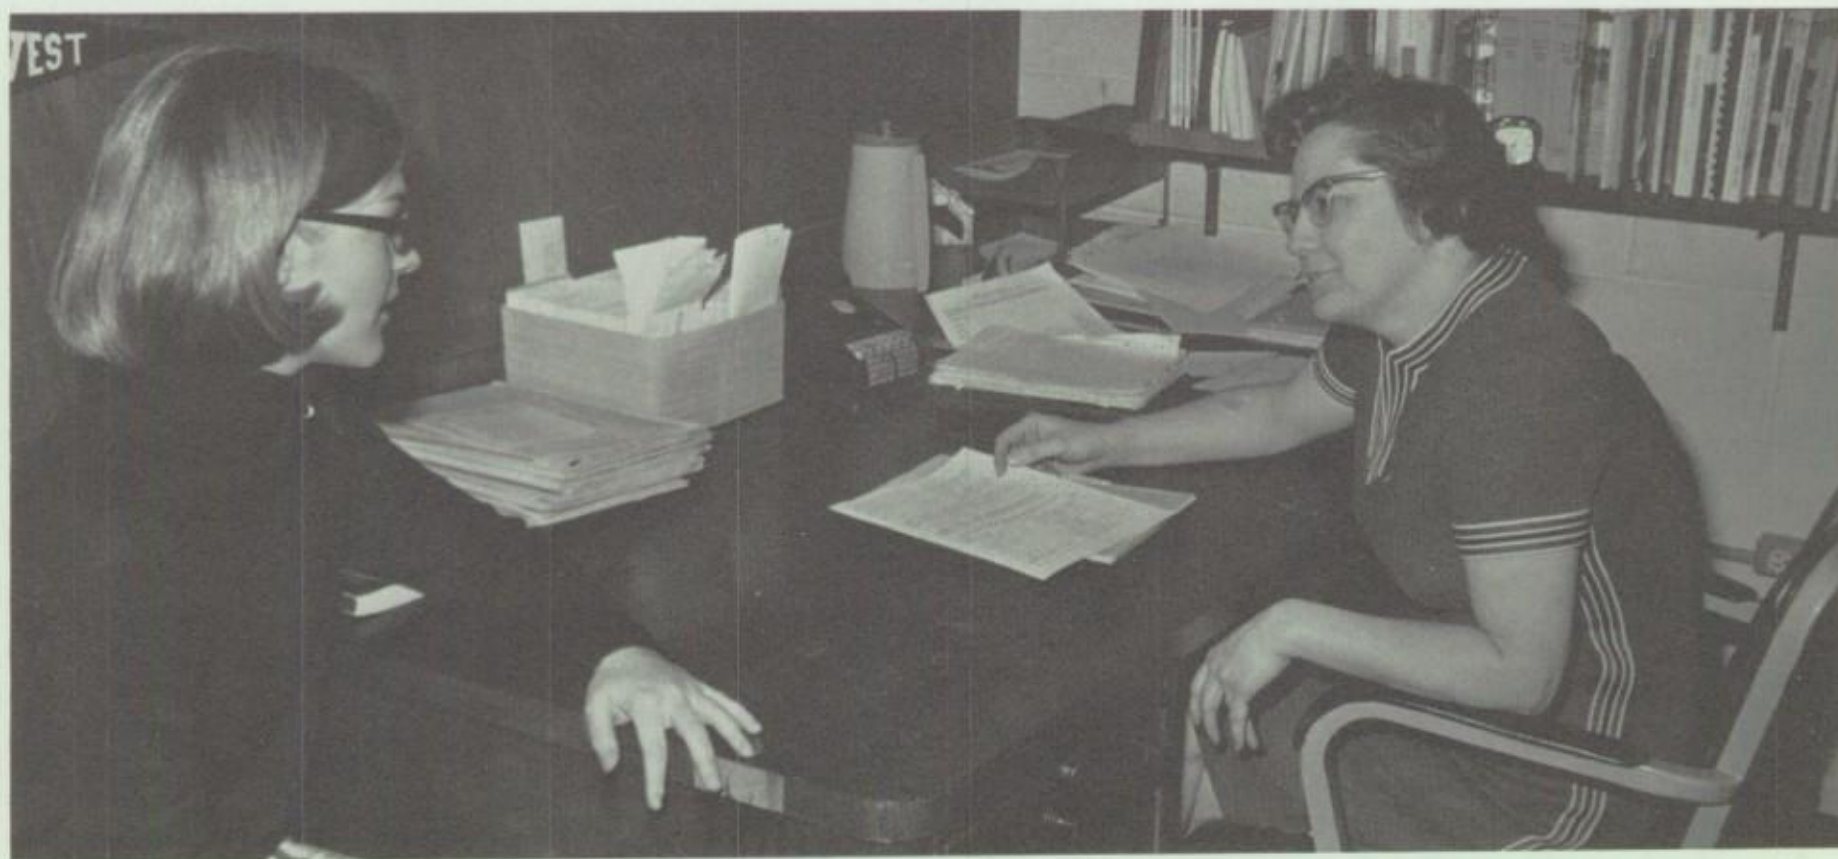

Rev. Williams carefully checks the attendance list.

Proves Efficient

Mr. Wied pauses for a moment while signing important papers.

E. Milz talks to Miss Finzel, LHW's Registrar, about a change in her schedule.

Office Staff, Kitchen Help,

Mrs. Mandy, Mrs. Mannle, and Mrs. Allen prepare our lunches.

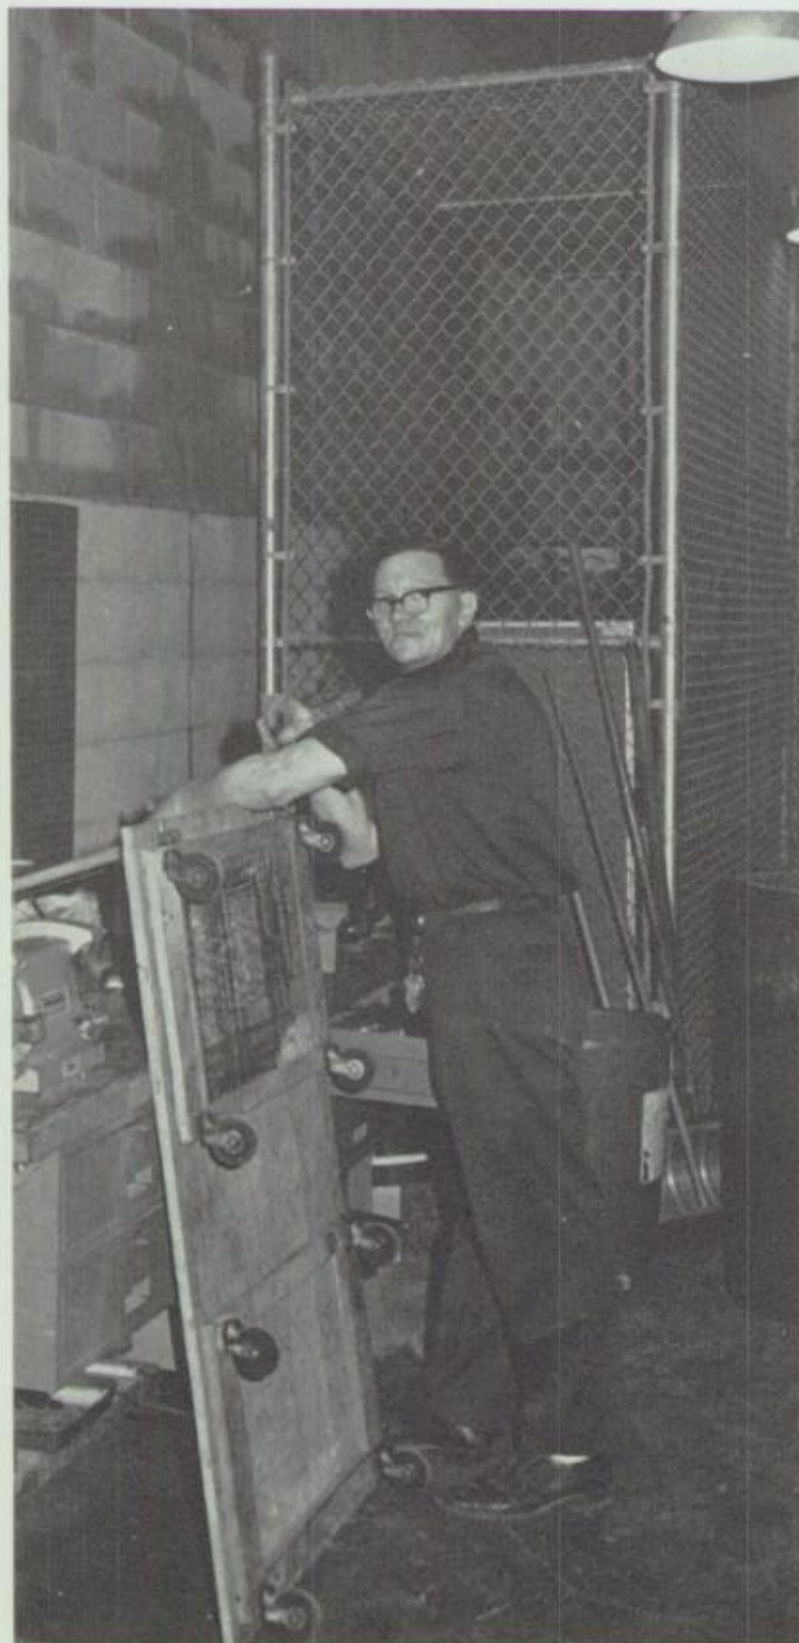

Mr. Hadden makes sure the furnace is running correctly.

Mrs. Borrusch, our school secretary helps to keep our school running.

Janitors Aid LHW

The staff of Lutheran High West is the moving force of the school. Mrs. Borrusch, who helps Mr. Wied keep his agenda straight and Mrs. Berkesch who is always busy filing and helping the students make consultations, are the ladies who keep the office running. Our custodians, Mr. Hadden and Mr. Allen, help keep our school building in shape. We should all realize what a good job our janitors do, and if we can, lend them a hand to help keep our school clean. The Cafeteria Staff, Mrs. Allen, Mrs. Mandy, and Mrs. Mannle, help keep the students and teachers at LHW well fed.

Mr. Allen is always busy cleaning our school.

Mrs. Berkesch prepares school files and records for the coming day.

Religion Program — The Core of Studies

Freshmen further their knowledge through Mr. Wargo's New Testament class.

Lutheran High West and religion are inseparable. Since the whole program of the school is Christ-centered, students devote one entire period per day to the study of the Bible, the history of the church, and basic Lutheran Doctrines.

The student starts off with a New Testament course in which he studies, among other things, the life of Christ and the missionary journeys of Paul.

Next comes Old Testament in which the student becomes familiar with the books of Moses, the prophets and the beautiful wisdom literature.

After two years of study, juniors are ready to study the history of the Church, including the history of the Lutheran Church Missouri Synod.

Seniors finish their course of study with the study of Christian Doctrine, in which they look at doctrine in their lives.

Mr. Kirchhoff teaches his Church History class the political causes of the Reformation.

Mr. T. Mueller points out an area of special interest to his Old Testament class.

West's Students Enjoy English Courses

Throughout the four years at Lutheran High West one is required to take many different English courses. These numerous courses vary to hold a student's interest and teach him required knowledge. In English 9 Freshmen are taught about novels, drama, short stories, and poetry. Sophomores are required to take English 10, which is an extension of English 9 but more detailed. The history of American writers and their writings are studied in American Literature. The Juniors not only take American Literature, but are also required to take Speech, where they are taught how to speak publicly through group discussions and written speeches. Seniors must choose two from a selection of Composition I, Composition II, Literary Appreciation, English Literature, and Business English.

The proper usage of English is taught to Freshmen by Mrs. Maynard.

The new portable classroom is used for many Sophomore English classes throughout the day.

Mr. L. Uhlig

Mr. Kirchhoff explains many complicated techniques.

Mr. Trapp watches over his geometry class while they take a test.

The math and science classes offered at West pose many challenges to students.

In the math department Freshmen are given the choice of taking either Algebra I or General Mathematics. Those Sophomores who have taken Algebra I are eligible to take Geometry. These Sophomores must first master the proofs and theorems of Geometry before they can take Advanced Algebra in their Junior year. Once the Junior has conquered the equation of Advanced Algebra, he is offered Advanced Mathematics for his final math class.

In the science area Freshmen are offered General Science. Most Sophomores take Biology. A large number of Juniors take Chemistry because of college requirements, but they are also offered Physical Science. Seniors given opportunity to take Physics.

Sciences Studied At West

Mr. L. Meissner

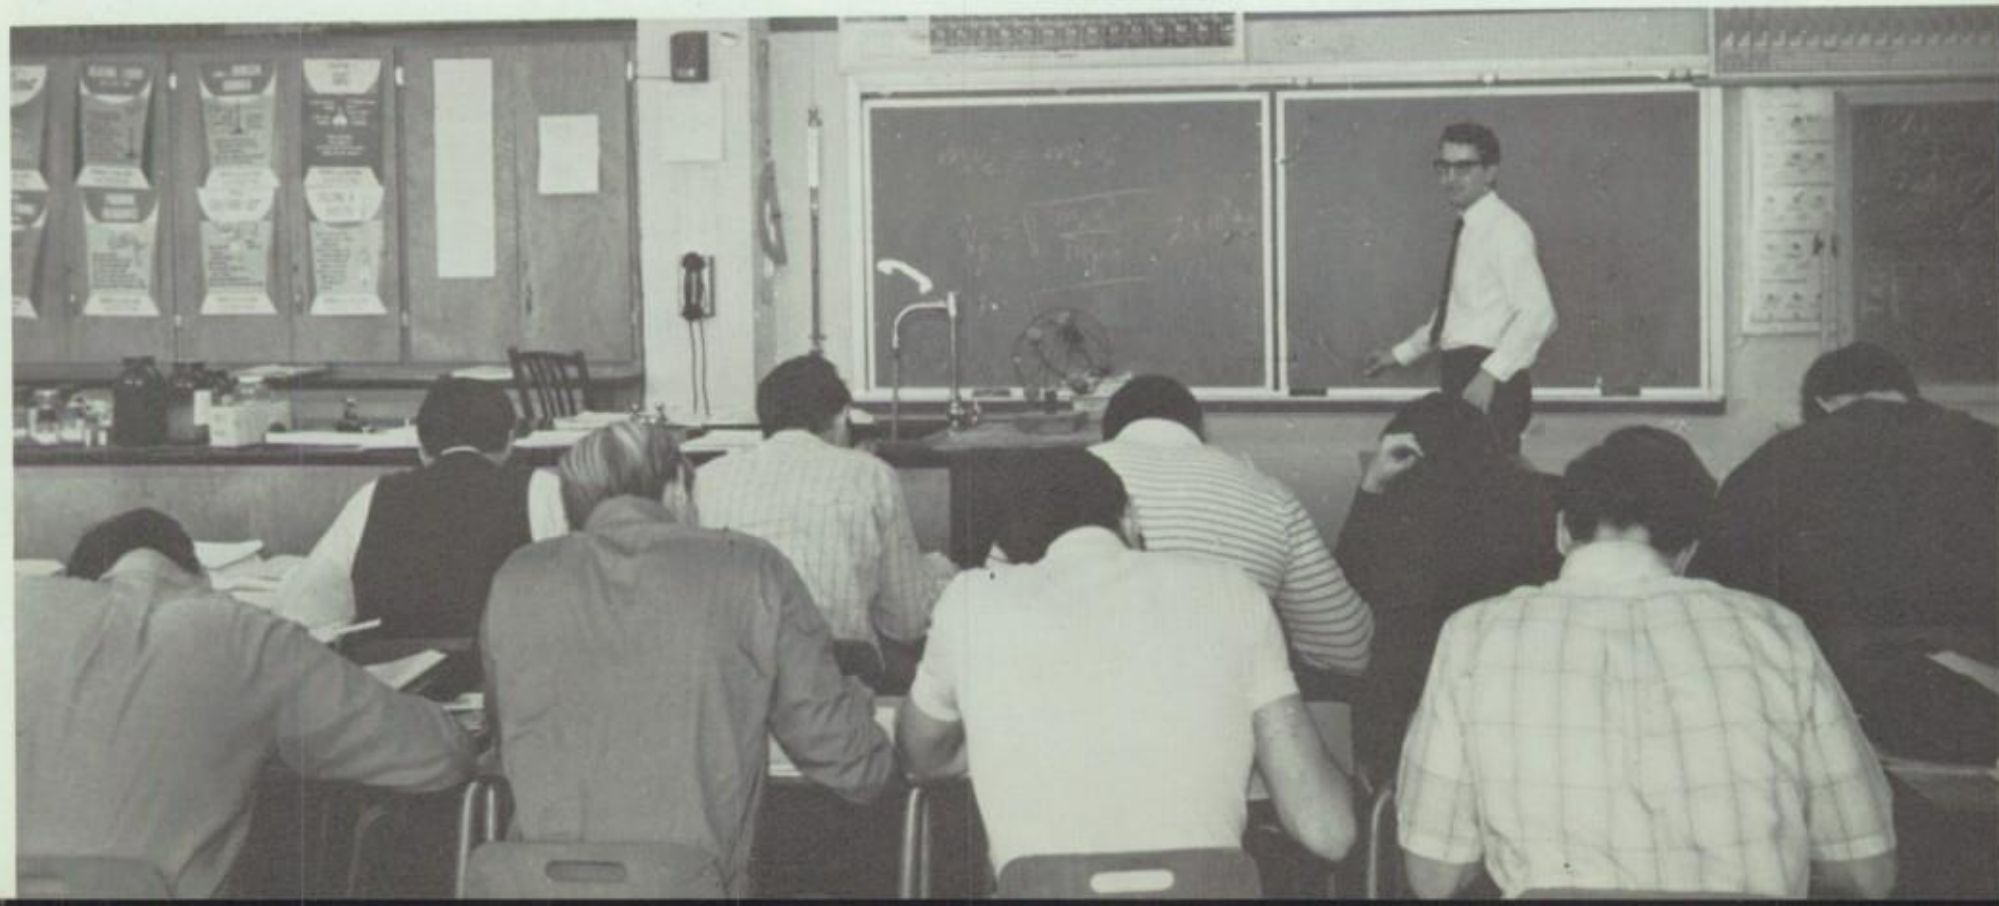

Mr. E. Ruth

Mr. K. Schmidt

(ABOVE), Mr. Ruth takes good care of the plans in the biology room. (BELOW), Physics students carefully study the phenomenas of science.

Social Science

Mr. Nitz gives a helping hand to students eager to learn.

This is the year of expansion! Truly a year to remember. The Social Science Department has done some expanding itself, with the addition of two new classes taught by Mr. Nitz. International Relations is a new one-semester course which stresses the topics of today in the areas of politics and economics. The other new class is Political Geography, which is open to Juniors and Seniors. Students study the governments of leading nations, and the ties which bind them together.

The Freshmen start out their first year with a course in World History. Their aim is to learn about history from ancient times to present day.

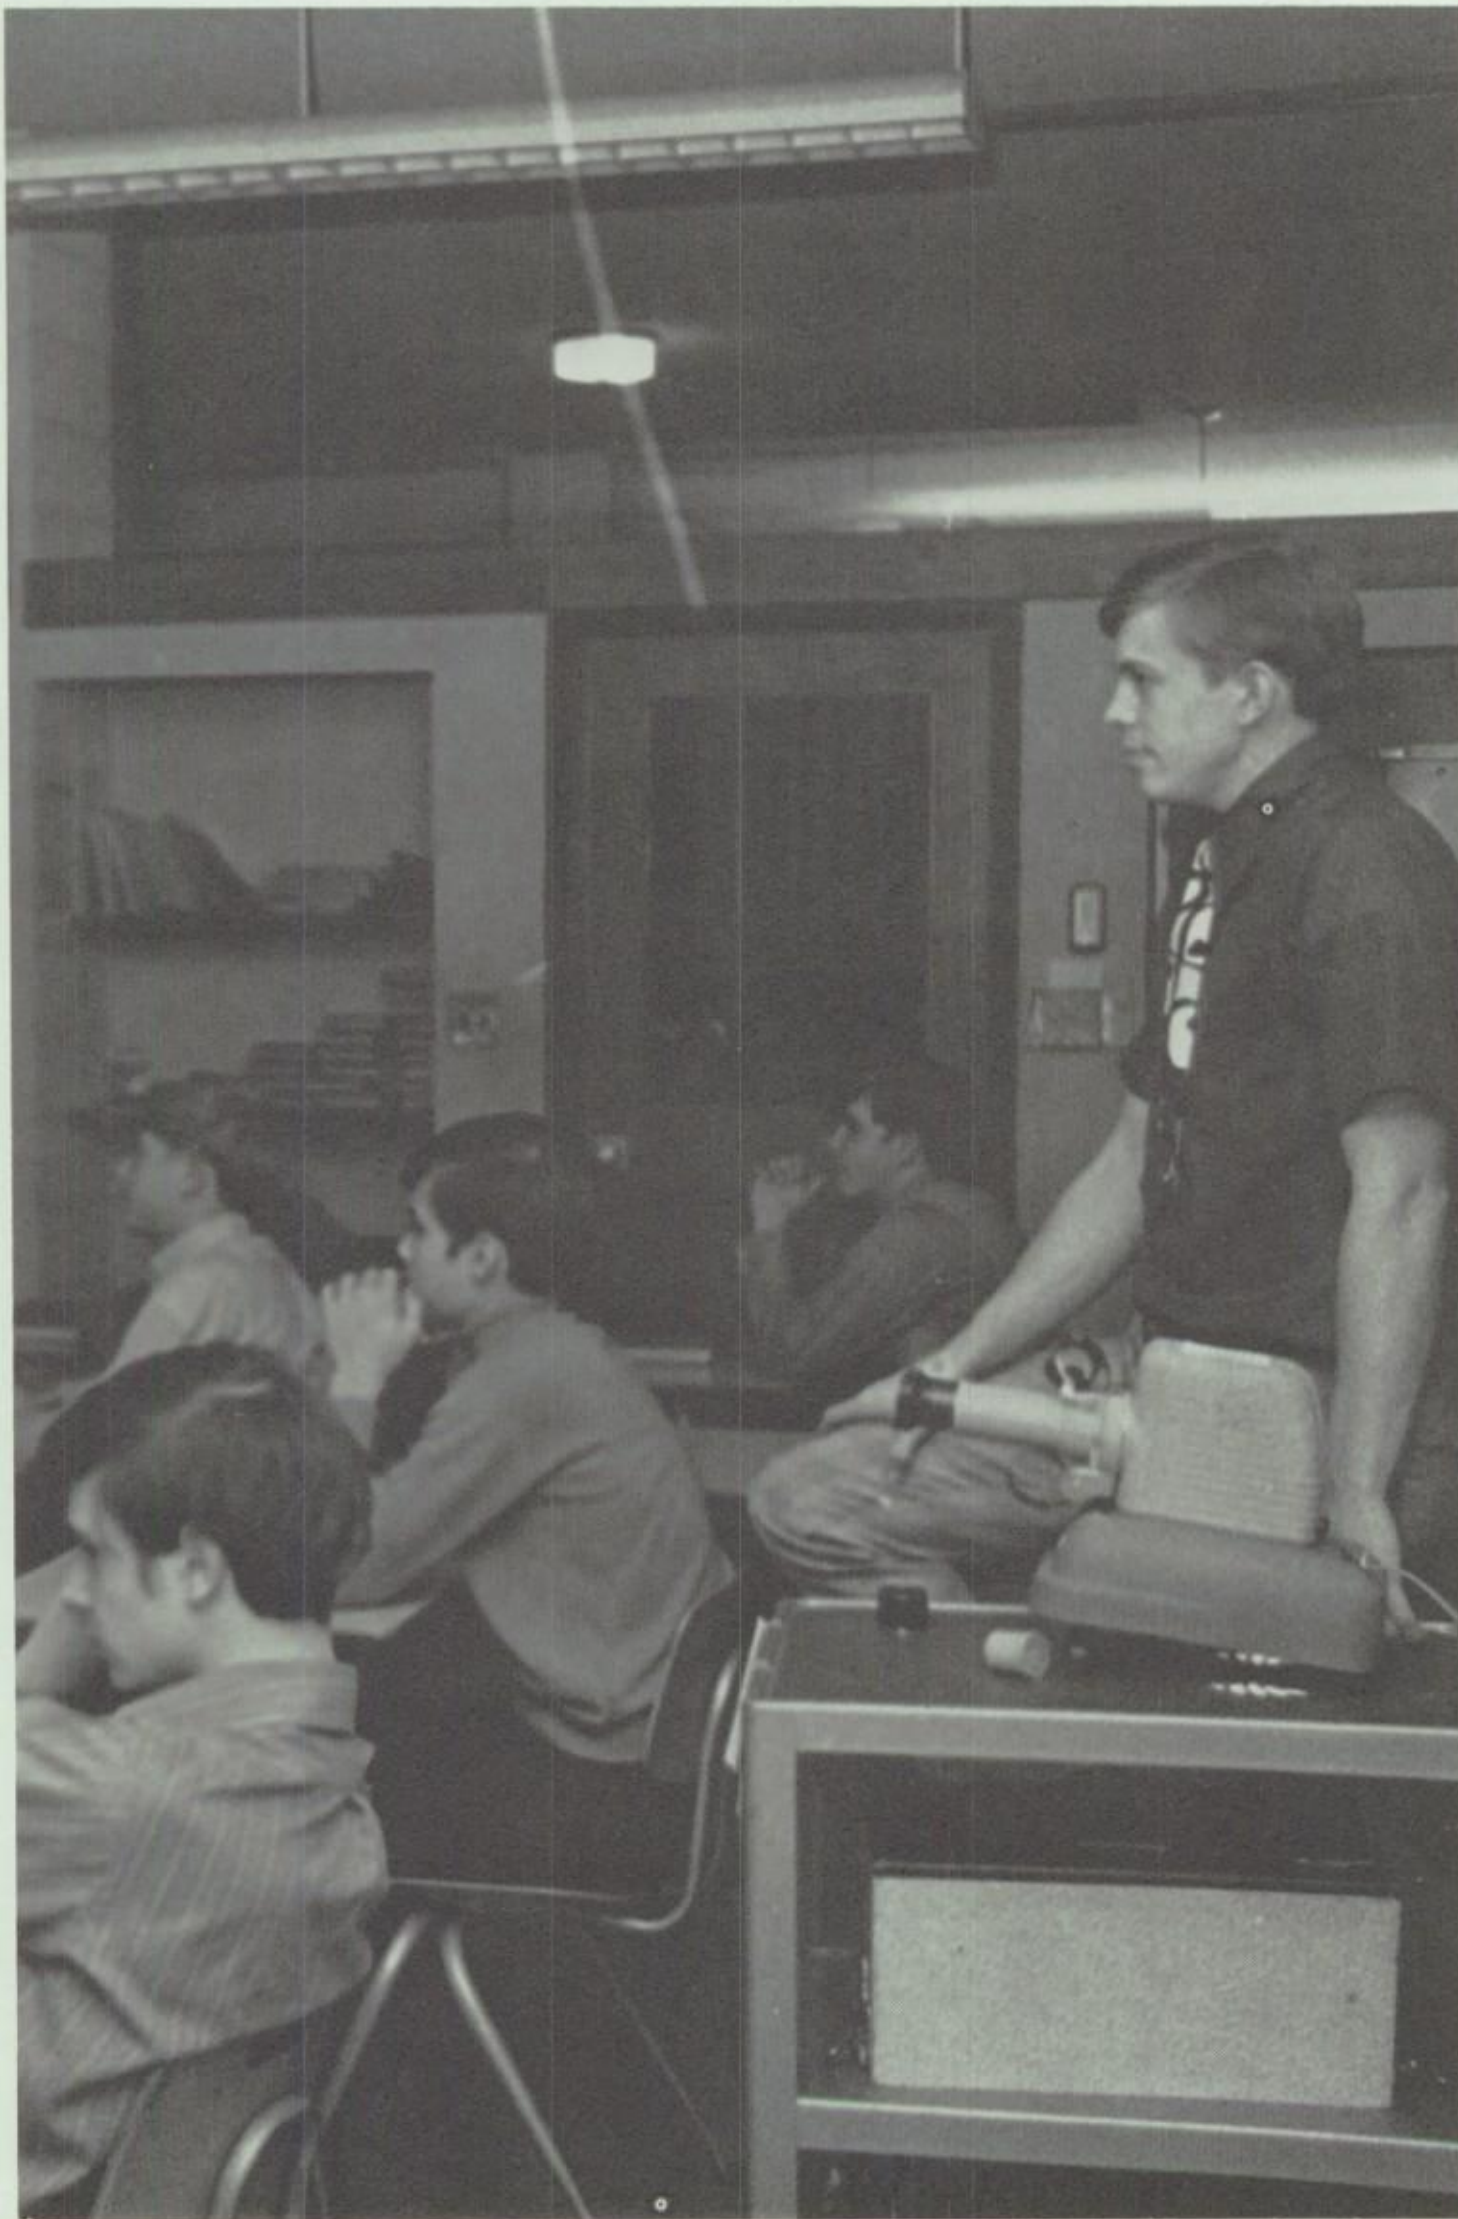

U. S. History gives Juniors background in the growth of our country.

Other courses in Social Science, such as World Geography and Political Science are also offered.

Mrs. Howard, an addition to the faculty at the semester break, teaches her history class many interesting facts.

Department Expands

Mr. D. Grauer

Mr. R. Nitz

Mrs. P. Pierce

Mr. W. Stuenkel

Rev. M. Brondos

Mrs. M. Maynard

Mr. E. Wiese

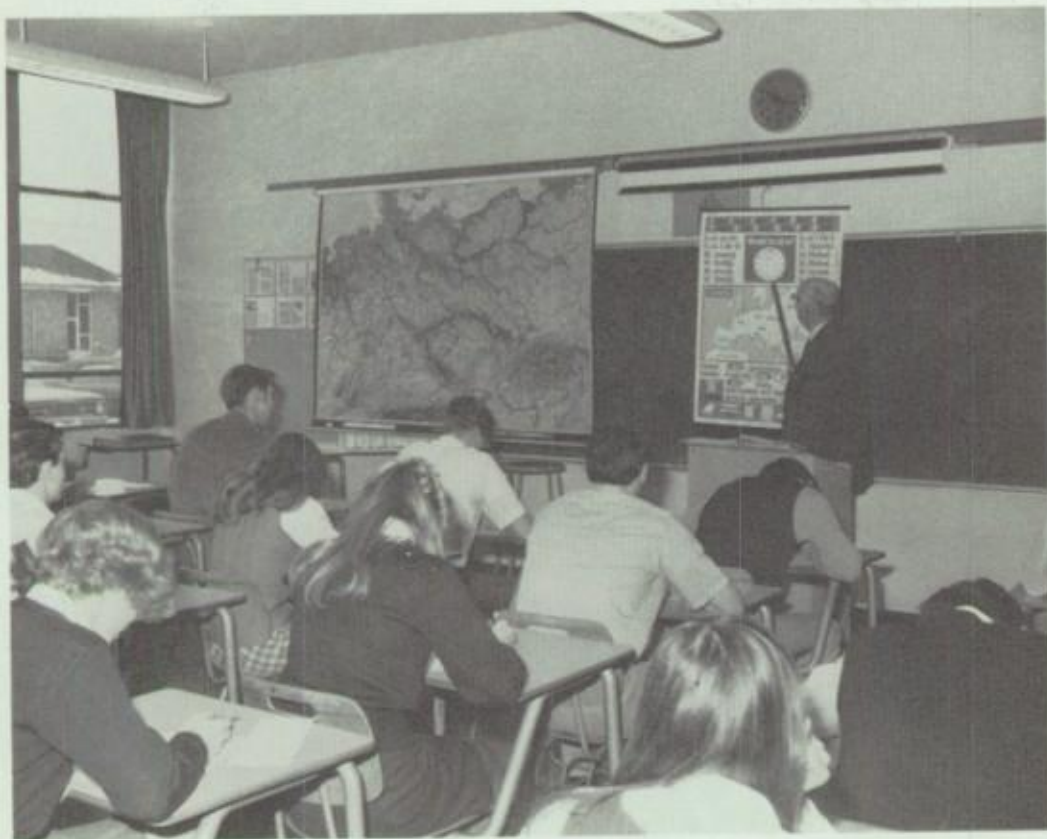

Rev. Brondos supervises one of his many Latin classes.

West's foreign language students learn many declensions and conjugations.

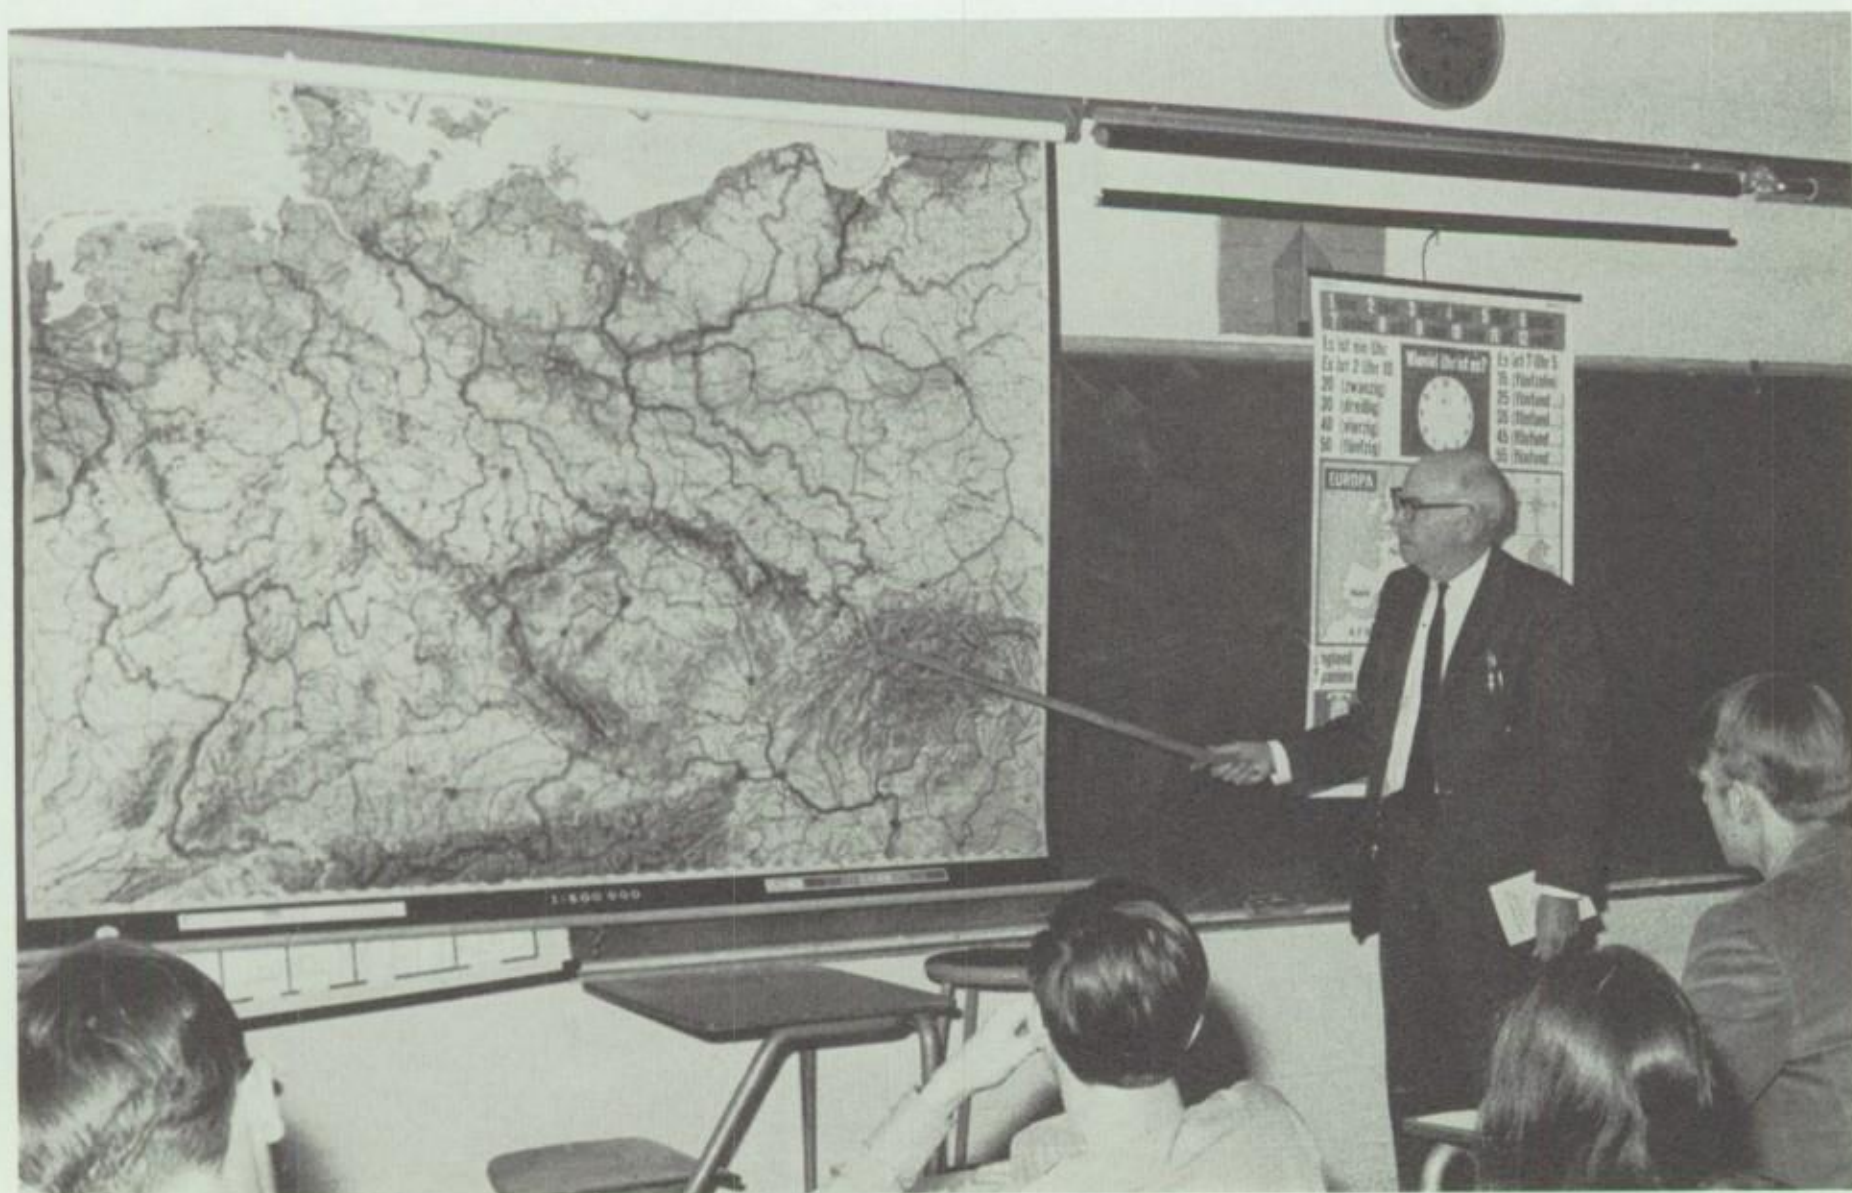

Language Scholars Learn Painlessly

Students in Mr. Wiese's German classes even learn how to tell time in German.

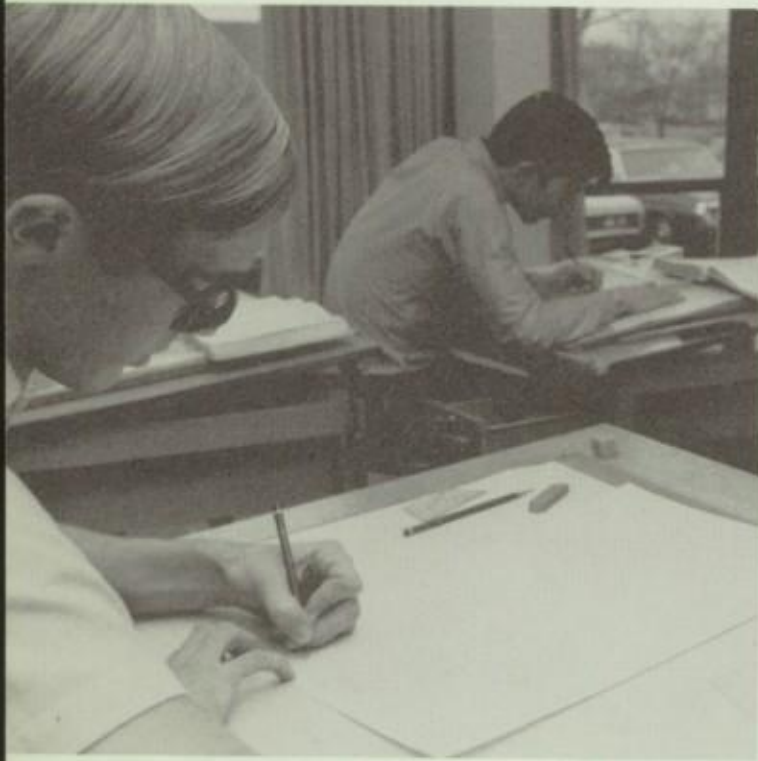

Amo, Amas, Amat . . . Those who hear these mysterious sounds emanating from a busy classroom should have no fear that students at Lutheran West are being initiated into the occult arts. These are not magic incantations, but rather, the first steps in the mastery of the Latin language. With the help of Rev. M. Brondos, students progress from this start to more difficult things. It has been reported that, by the end of second year Latin, many students could out-talk Caesar himself!

Zum, Zum, Zum . . . So sing happy first year German students as they painlessly become familiar with the fundamentals of the language. Mr. E. Wiese and Mrs. M. Maynard lead students to a full understanding of German.

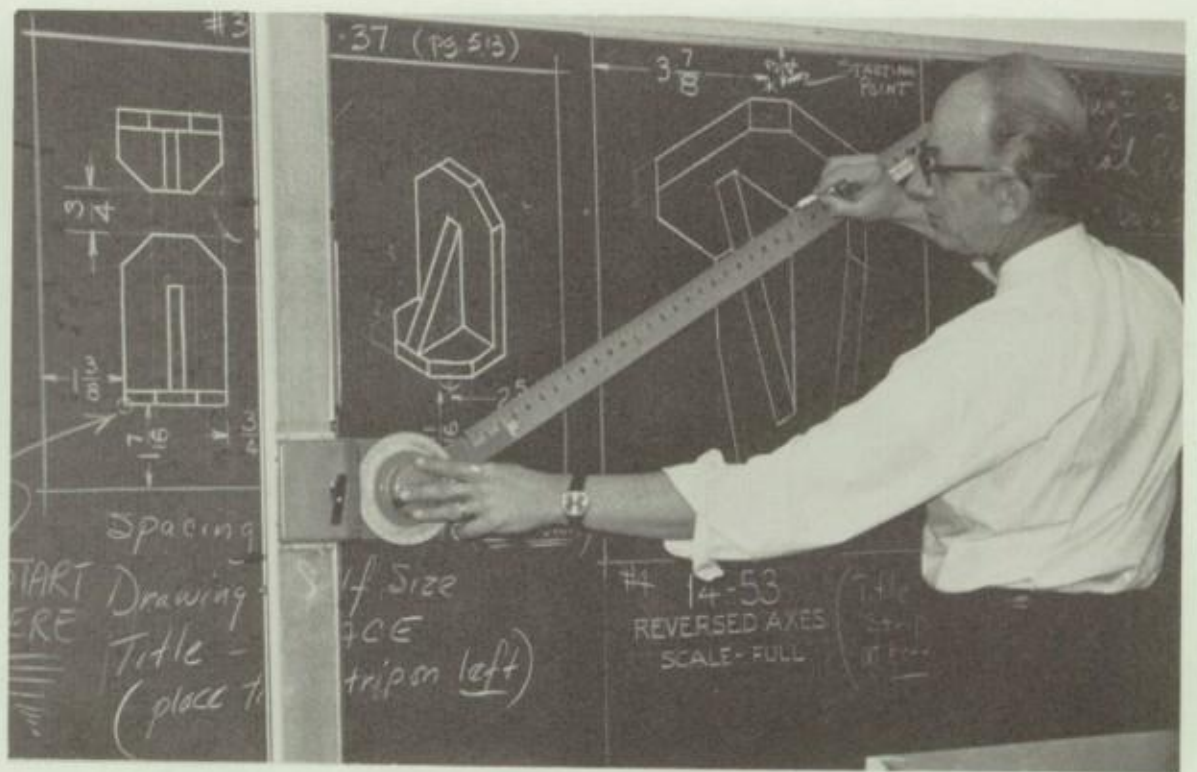

German students learn about Germany as well as the language of Germany.

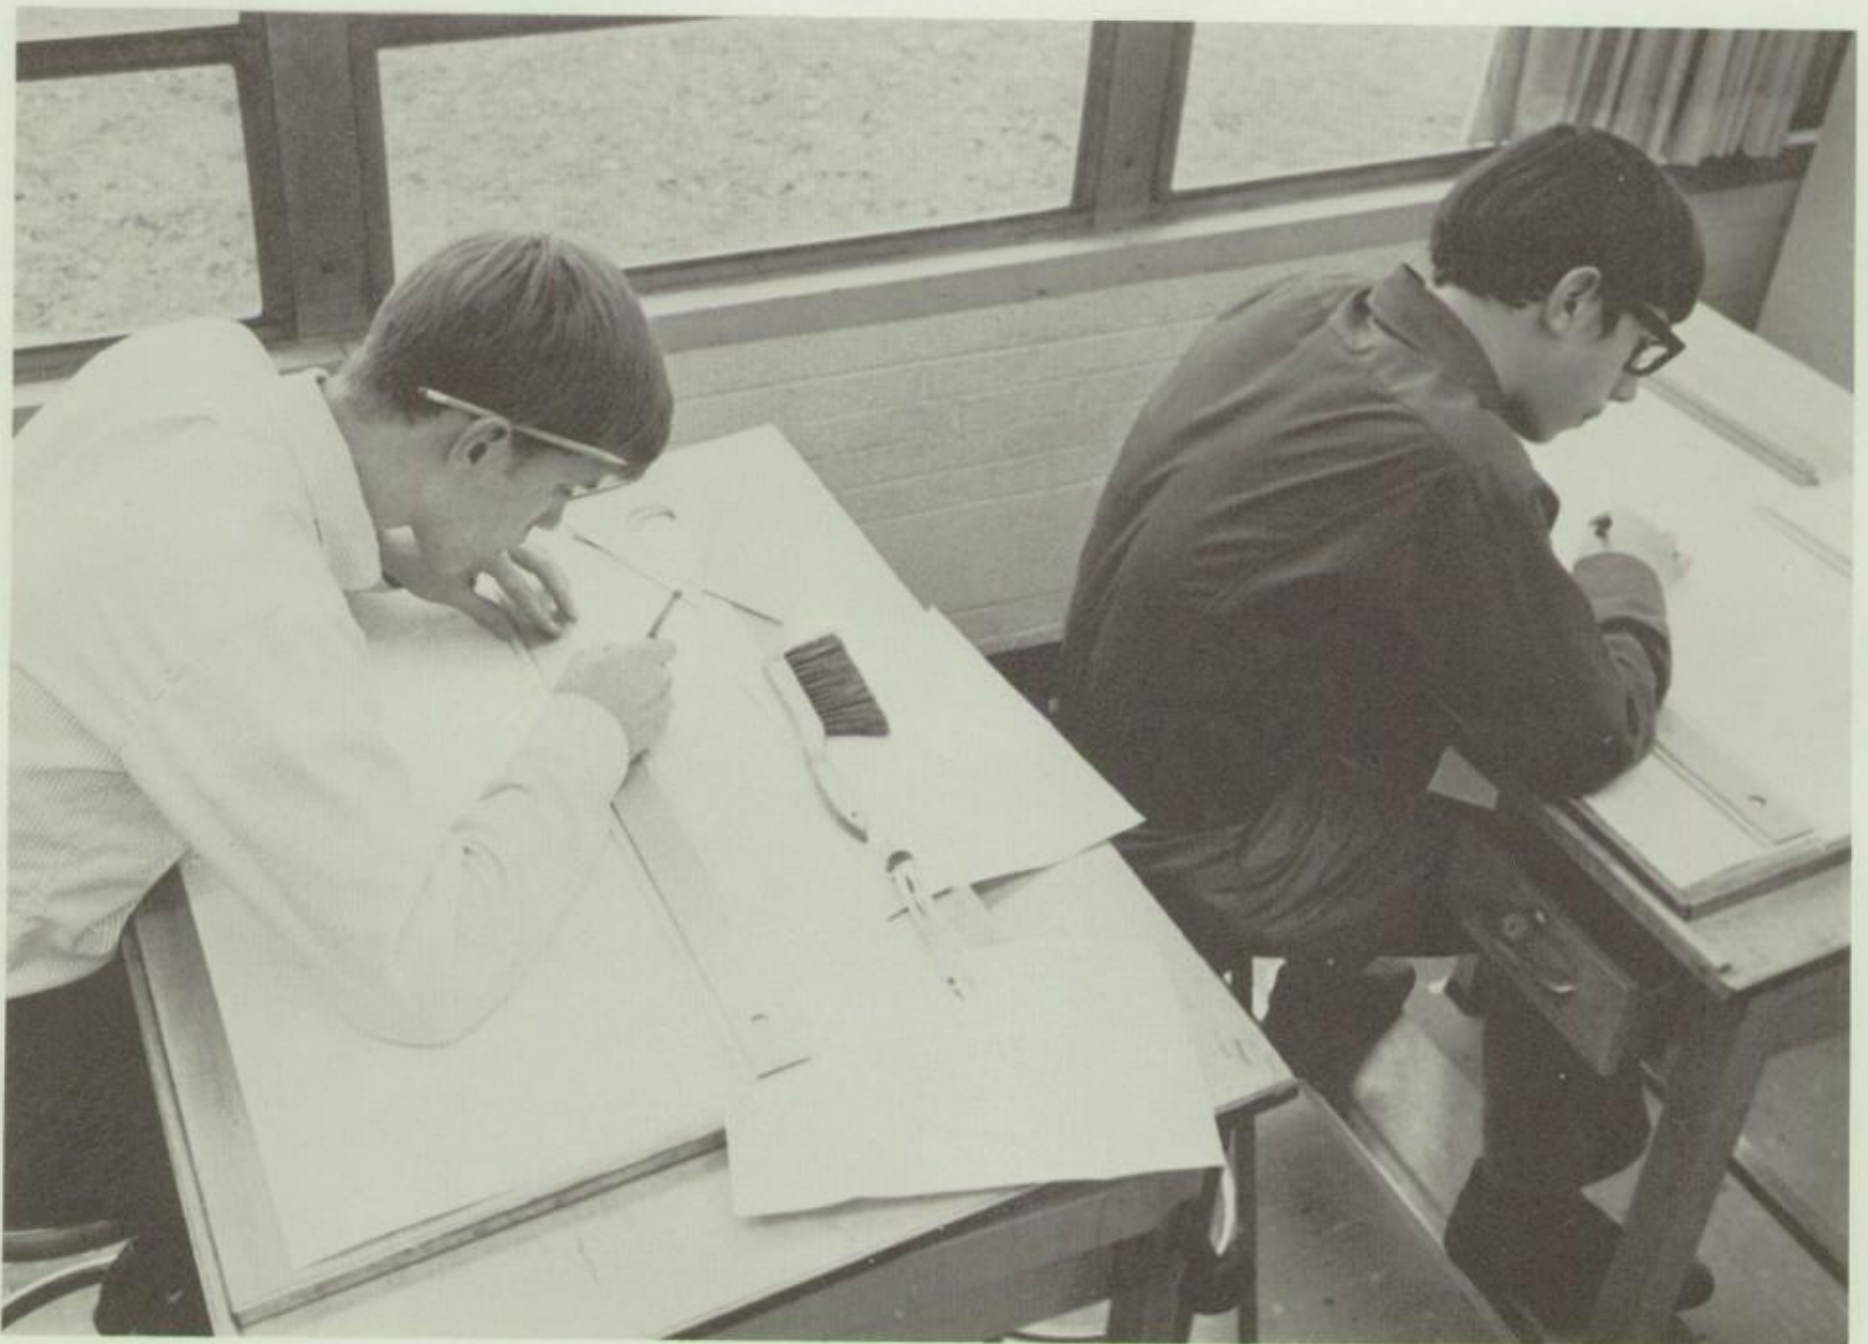

Students Prepare

Skills are learned in West's Mechanical Drawing class.

Various machines and tools are demonstrated by Mr. Splittgerber.

Skills grow into talents as M. Nash and R. Nagy practice their drawing assignments.

for Vocations

Mr. Brown helps students anxious to learn.

Lutheran West recognized the fact that young men and women must prepare for vocations as well as for enrollment in college. West offers vocational, as well as academic training.

Mr. N. Splittgerber, the industrial arts teacher, prepares his students by teaching them the fundamental skills of mechanical drawing.

Mr. R. Brown and Mrs. J. Reichmann prepare students for a business career through such courses as typing, bookkeeping and office practice.

Mrs. Reichmann shows K. Voss how to file.

Art, Home Ec Build

Miss L. Born

Mr. K. Schmidt

Many garments are produced in Home Ec and Clothing classes.

Miss Born watches over her Culinary Arts For Men class.

West's guys learn to sew ties and shirts in Home Ec.

Artistic Qualities

Many girls take Home Economics through their years at West, but this year boys are given a chance to shine in domestic skills through the course Culinary Housekeeping Arts for Men. Miss Born, a new teacher this year, teaches this course. She also teaches Clothing, Home Economics I, II, and III. She is truly an asset to our school.

The Art department, headed by Mr. Ken Schmidt, has also expanded this year. Fundamentals of Art, Ninth Grade Art, Crafts, Drawing and Painting, and Art Seminar I and II are the new courses this year to replace the old art program. Students who take these courses gain knowledge in the many facets of art.

Mr. Schmidt helps C. Pogarch solder a piece of jewelry.

Ceramics is one of West's most popular Art areas.

Art students studying sculpture receive advice from Mr. Schmidt.

Boys, Girls Keep

The girls Phys. Ed. class practices gymnastics during the winter months.

Cartwheels prove to be fun as well as skillful for the girls at LHW.

Physically Fit

In months when the weather is warm, boys Phys. Ed. classes keep physically fit by participating in active, outdoor sports. During the fall and spring they learn the fundamentals of football, basketball, volleyball, tennis, handball and shot put. Track is learned in Phys. Ed. I and baseball in Phys. Ed. II. When the winter weather sets in they move indoors to practice on the parallel bars and do one, two, and three man stunts. The most exciting event is the competition in wrestling matches until a champion wrestler is chosen.

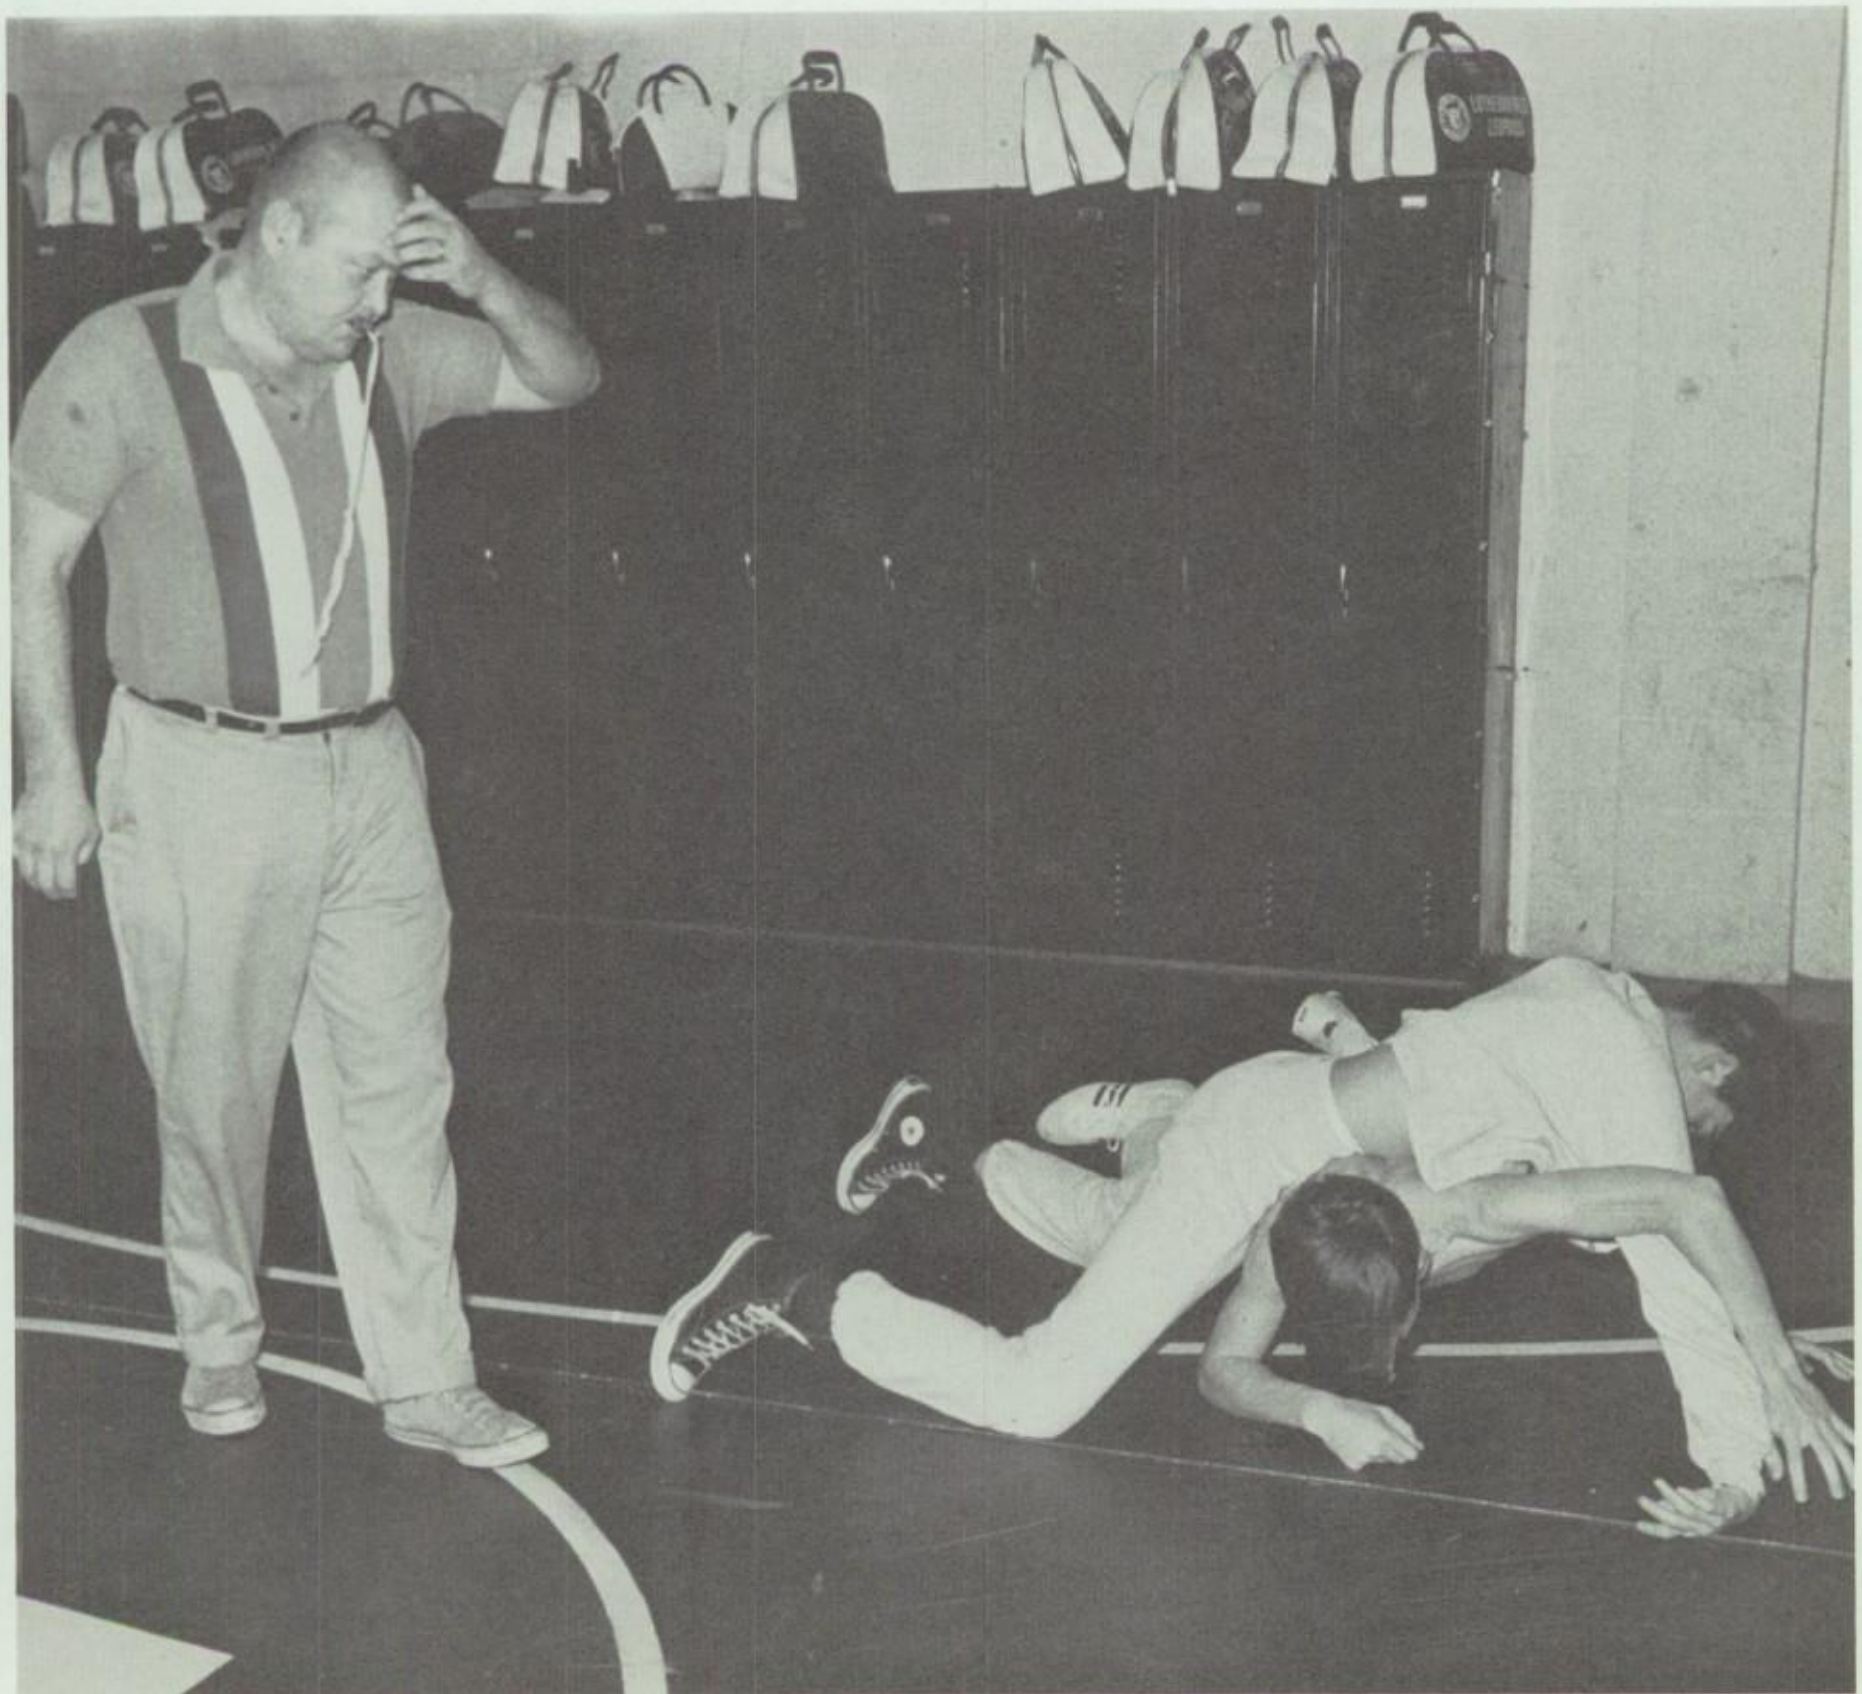

This is the second year for girls Phys. Ed. class which is great because girls need to be just as healthy as men. Besides, it's fun to play field hockey, volleyball, baseball, and basketball.

Miss E. Spletzer

Mr. D. Tuomi

Freshmen in Mr. Tuomi's Phys Ed I class take turns wrestling and observing.

Bands, Choirs

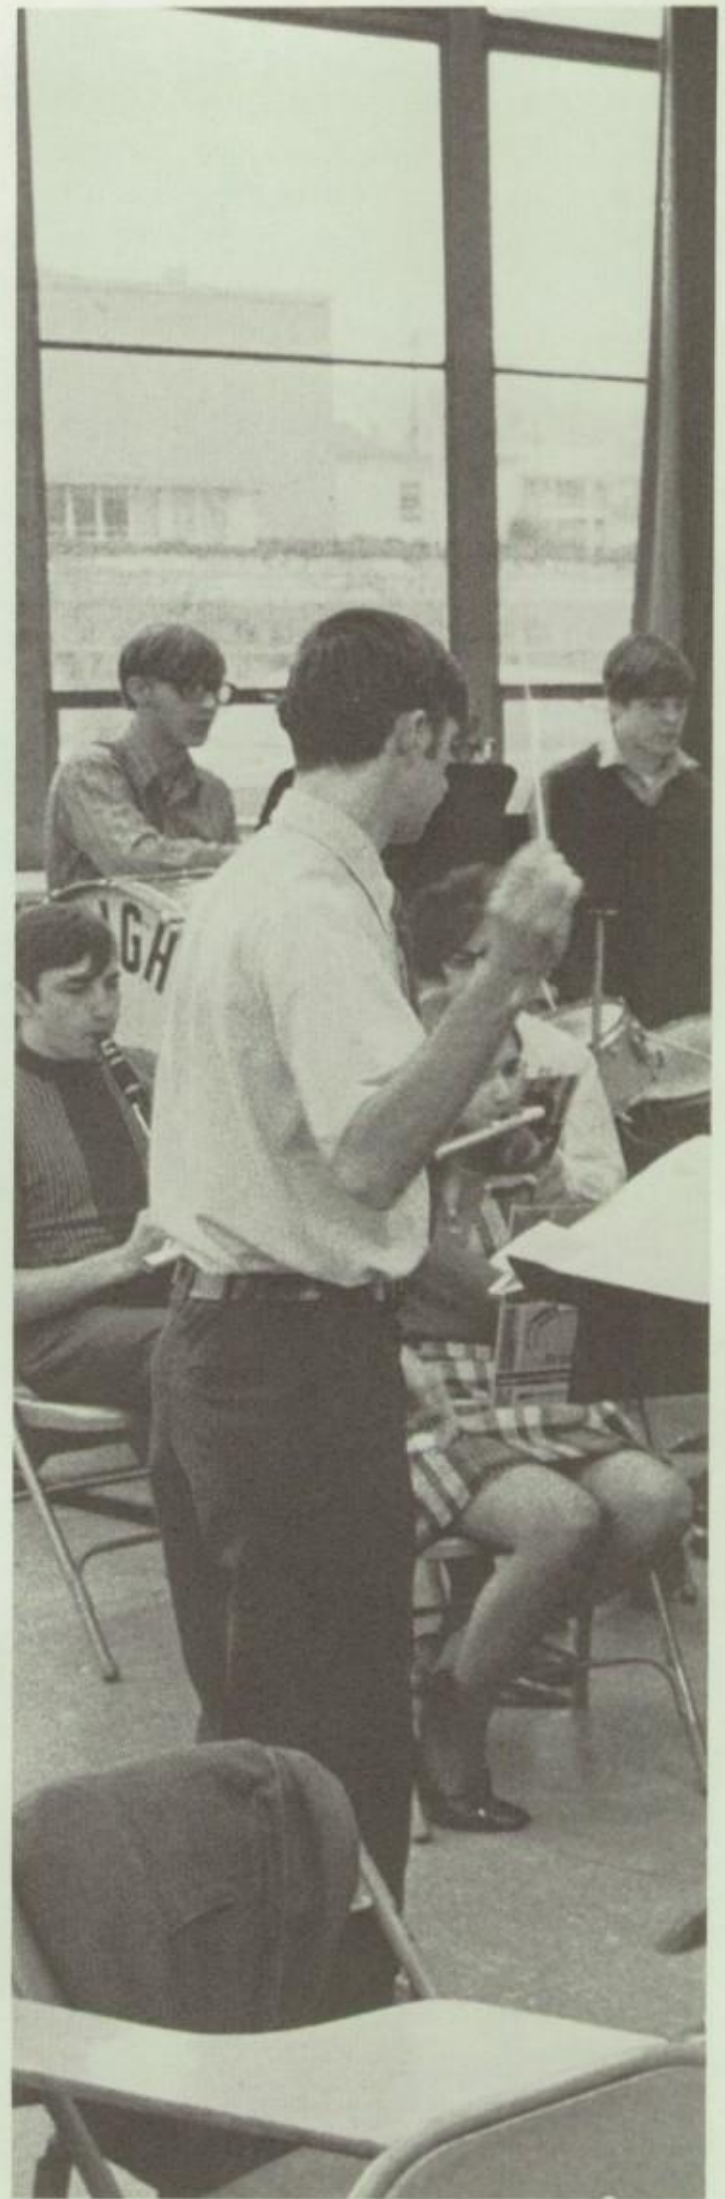

Mr. R. Aumann

West's bands and choirs make up an important part of school life. They provide members with the opportunity to improve their musical skills and give the students a chance to hear excellent music. Both bands and choirs have provided fitting musical settings for West's chapel worship program.

The bands, directed by Mr. Larry Novak, showed their talent through marching, playing, a delightful mid-winter concert. The choirs blended their voices, inspiring many with their Christmas and tour performances.

Mr. Aumann helps Junior Choir learn new songs.

The new director, Mr. Larry Novak, adds inspiration to the bands.

Give Excellent Performance

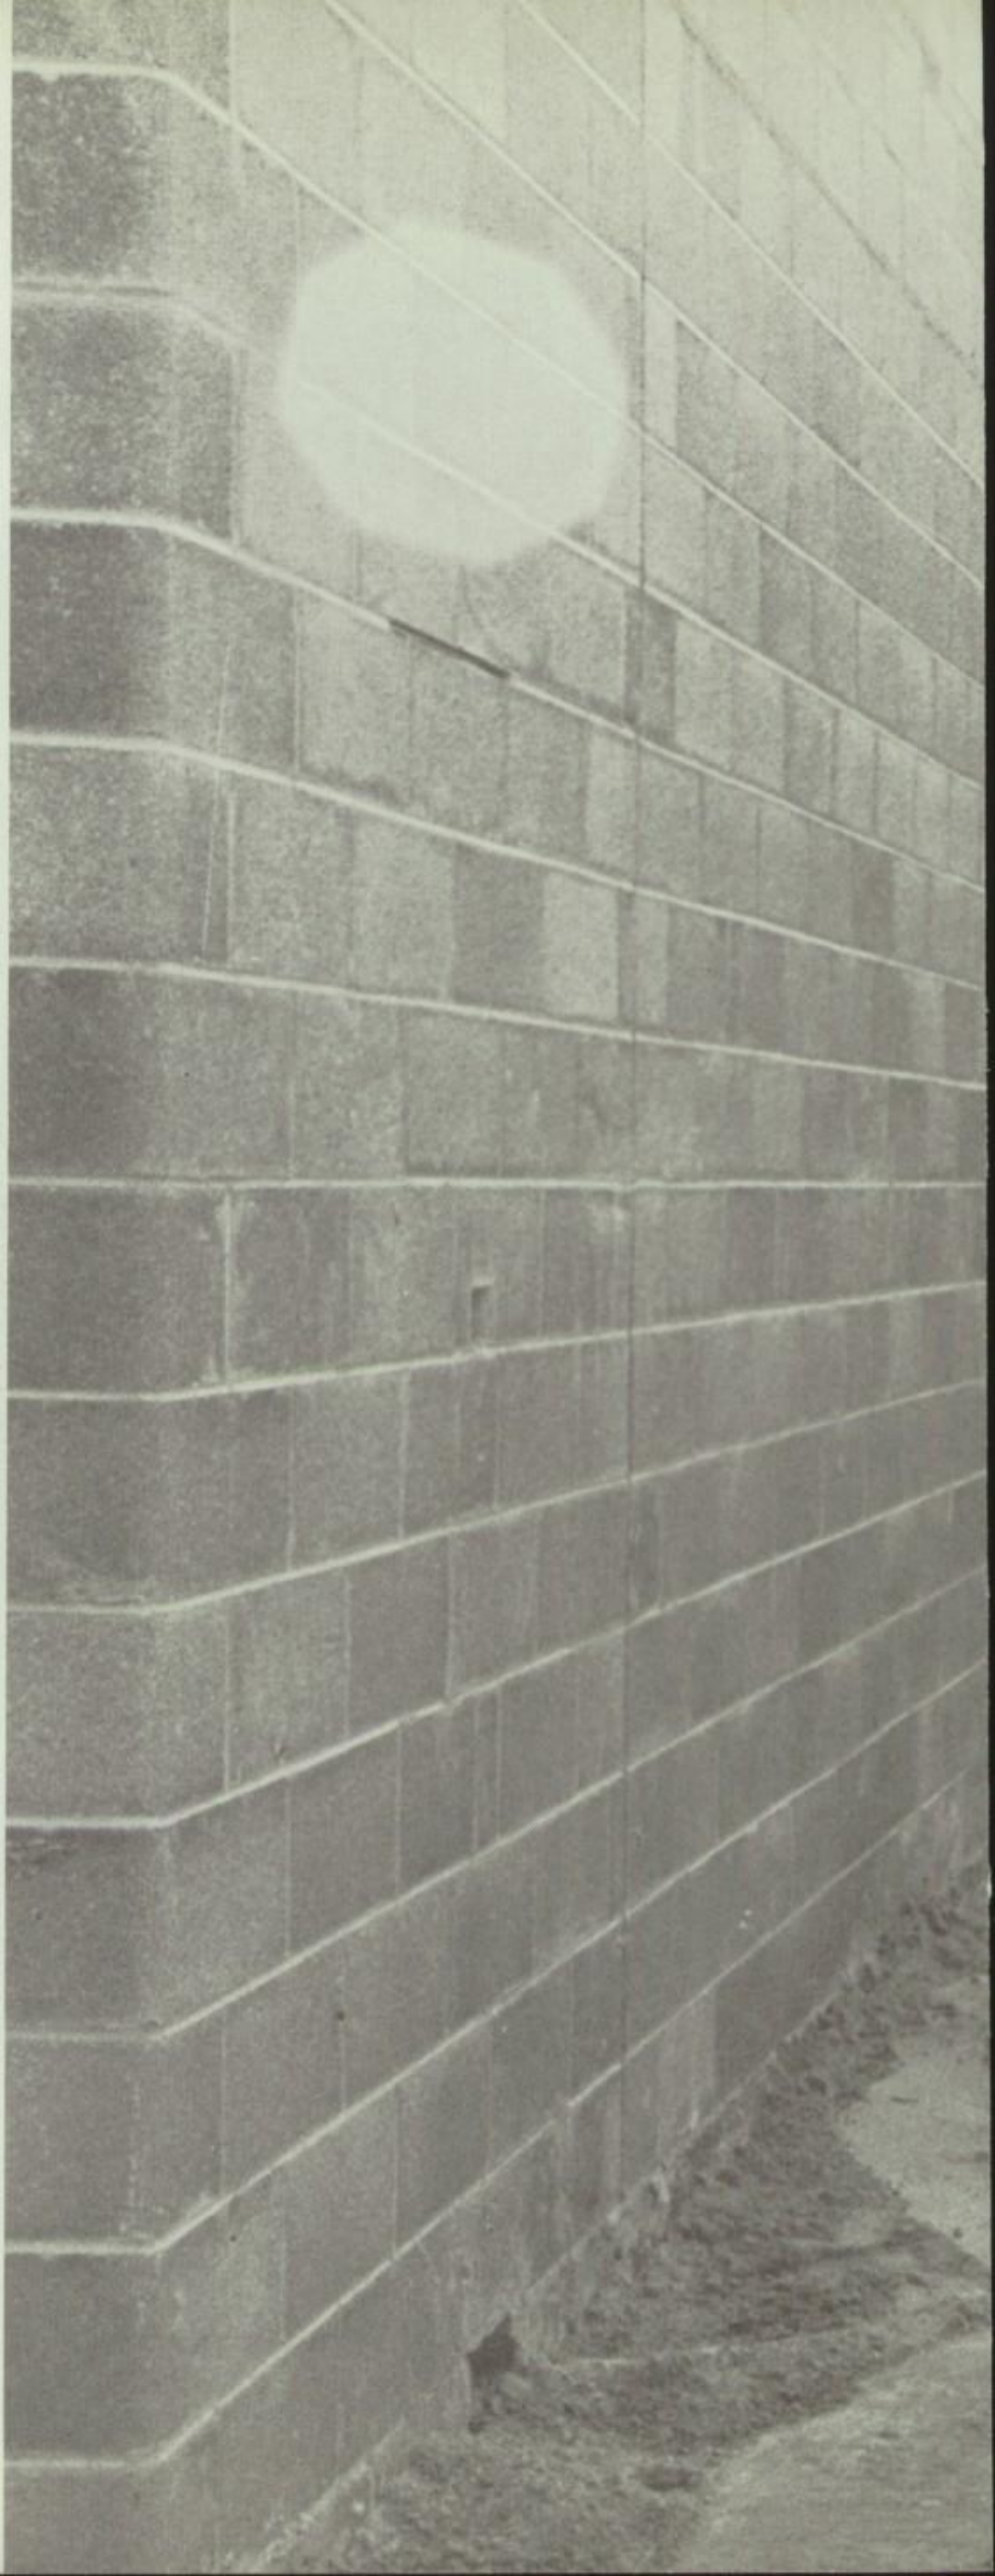

The bands practice hard for their Tri-City concert, this year to be held in Ft. Wayne.

As seen through the eyes of a choir member, much hard work goes into the making of West's successful choirs.

Seniors

Growing Toward a New Life

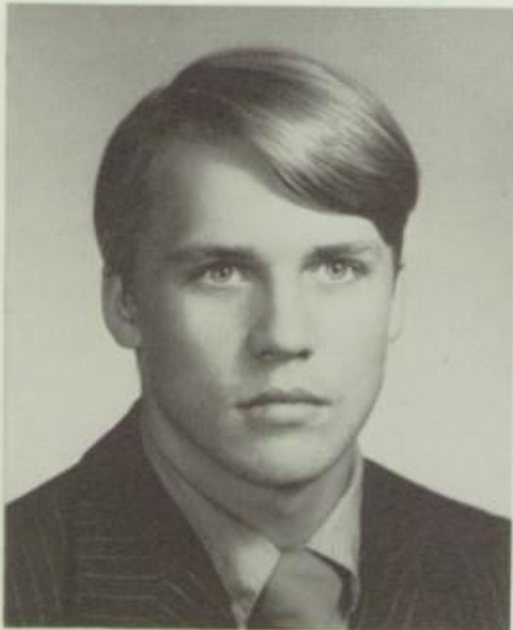

Seniors Rate High in Float,

This year's Senior class was very victorious. It started with their success in Homecoming as they won the plaque for the third time. Next they showed their power as they put on a Chicken Dinner with proceeds exceeding those of previous classes. A final victory was the outcome of the Senior-Faculty Game. The Seniors defeated the Faculty, the first time in 15 years, 62-60. The Seniors can look back at memories of successes.

The Senior assembly line manufactures the winning float.

With Motor City Prize

Leopard tacklers bring down a Taylor Center Ram.

Both fans and players can look back on the varsity football team's record with pride. They can look back on a winning season capped by a victory over rival Lutheran East in the competition for the motor city trophy.

Overcoming a rash of injuries, the Leopards managed to play over many hardships. Their fine record is a credit to those who took over when injuries occurred. All through the season, the squad showed the spirit characteristic of all real winners: they never gave up.

Three of the Leopards' seniors were distinguished by all-conference honors: Dave Agee, Dan Keller and Mark Westcott. Mark also received all-state honors.

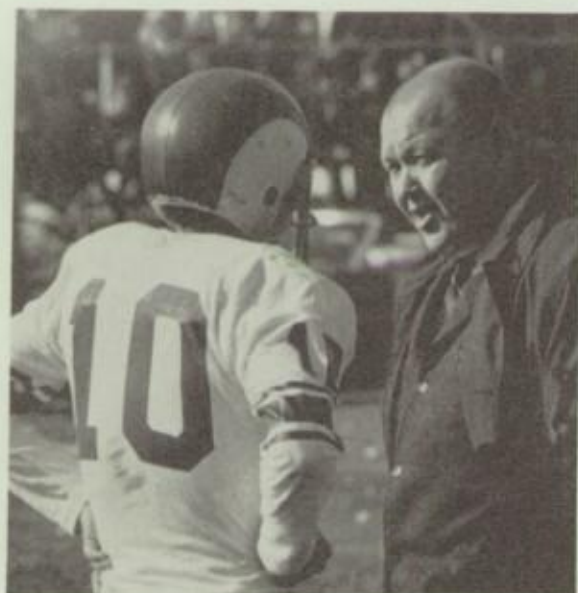

The play of this team will be an inspiration for teams to come.

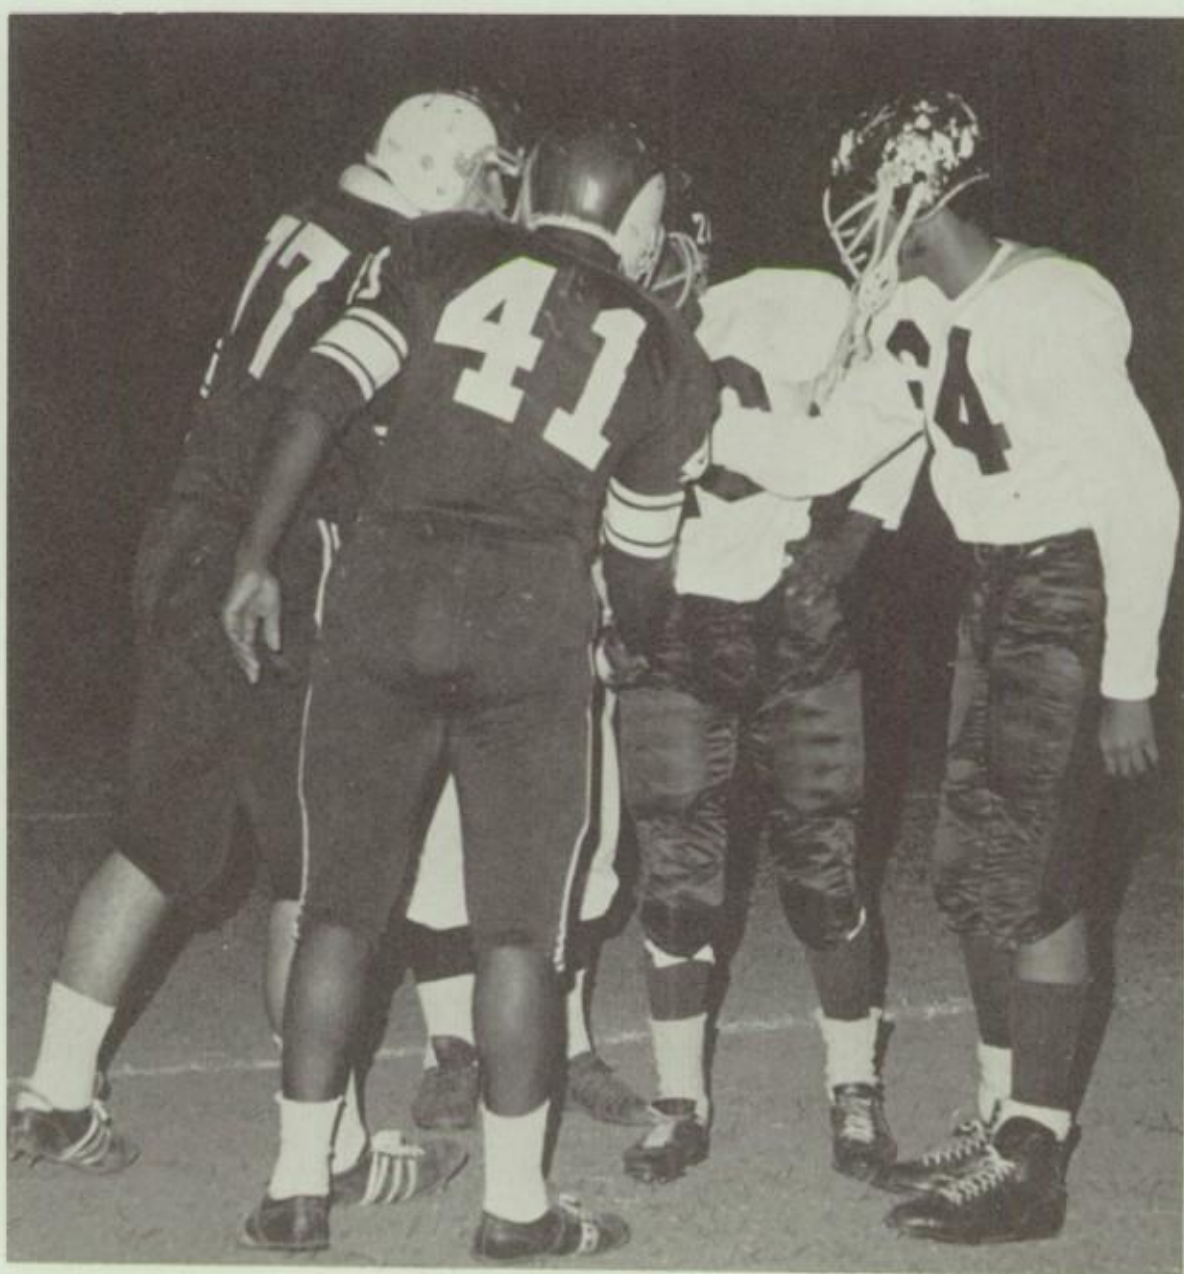

D. Agee leads D. Keller around the end for a victorious game.

D. Agee showed his power at Taylor Center's homecoming game.

Coach Tuomi tells quarterback L. Druckenmiller to go out there and fight.

Homecoming captains D. Agee and M. Westcott face off with Inkster captains.

Cats Look Ahead

The Leopard's Junior Varsity football team experienced an encouraging season, despite the evidence of the scoreboard. Success came to the Little Leopards in a big way, as far as learning and improvement are concerned.

Coaches Wildauer and Grauer instilled in their team the desire to perform well, as individual team members drilled in the fundamentals of football. The J.V.'s of this year will supply some fine material for future varsity teams. All who participated may look on their accomplishment with pride.

The 1970 Cross-Country season turned out to be a mediocre one as far as wins and losses are concerned, but it also had many bright sides. Len Hoppe, Lutheran West's team captain, won All-State honors as he placed third in the State Meet. Other boys who helped the team considerably this year were seniors Wayne Peters and Mark Rotterdam; junior Bob Hoch; and sophomore Richard Zajewski. West placed third in the League and tenth in the Regionals. This year the course was lengthened from the usual two miles to a new length of two and a half miles.

The Leopard runners showed great spirit and enthusiasm throughout the season, despite the strenuous workouts. Freshmen boys show fine potential for the up coming years, as did the seniors in their first year. Mr. Ruth, West's Cross-Country team coach, led our Leopards in a season which finished with a six-seven win-loss record.

Mr. Ruth wonders about the outcome of the meet as he checks on his runners.

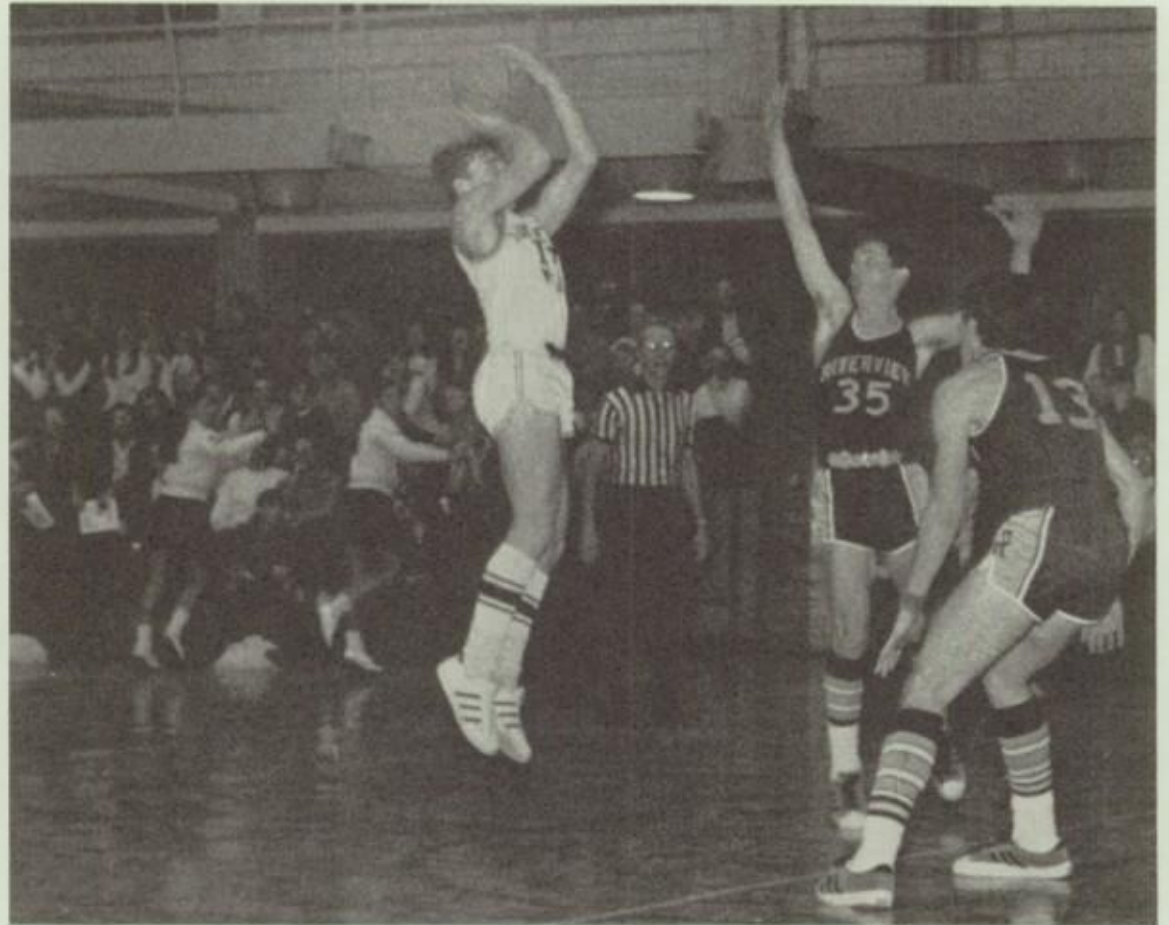

Basketball Team Looks Ahead

This year's Leopard basketball team showed a lot of promise for years to come. Although their win-loss record was not impressive, the team made many gains in fundamental skills and game experience. Paced by the play of underclassmen (the team included only three seniors), the Leopards can look forward to enjoying a host of seasoned veterans.

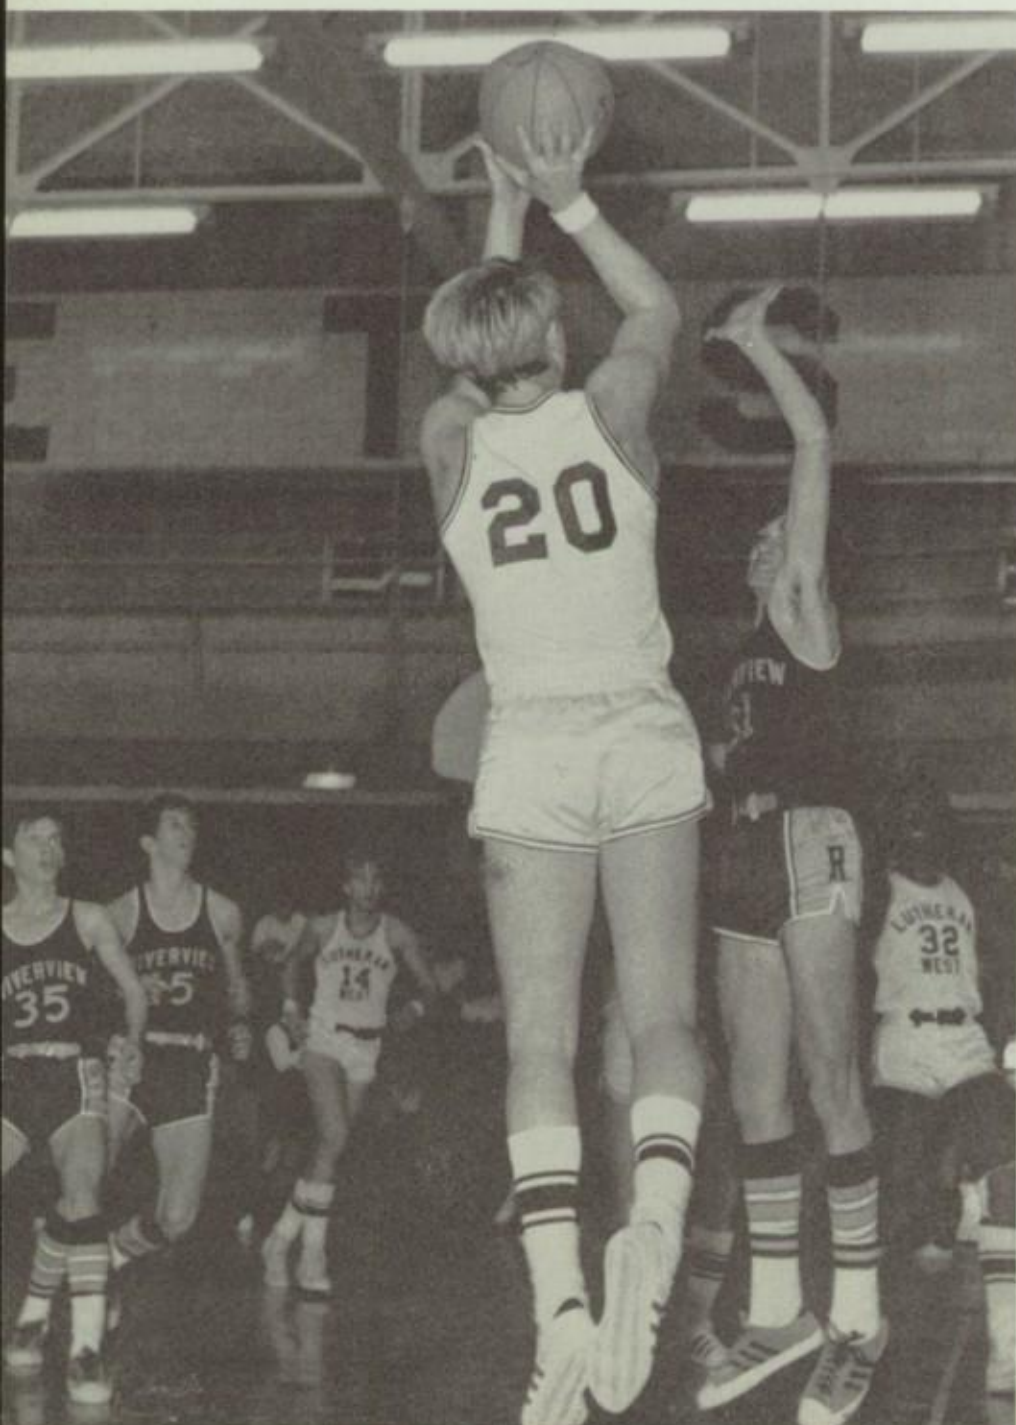

The team was characterized by hustle and desire, and provided a strong challenge to some of the stronger teams in the Mid-Wayne League.

The Leopards owe sincere thanks to seniors Ken Gartha, Tim Kostelnik and Mark Westcott for their fine play and strong leadership. Sophomore, Scott Price also deserves credit for earning second-team all-conference honors.

Coach Bill Mueller dedicated a tremendous amount of time and energy to the team, giving them an example of hard work and the will to win.

Freshmen, JV Team Gain

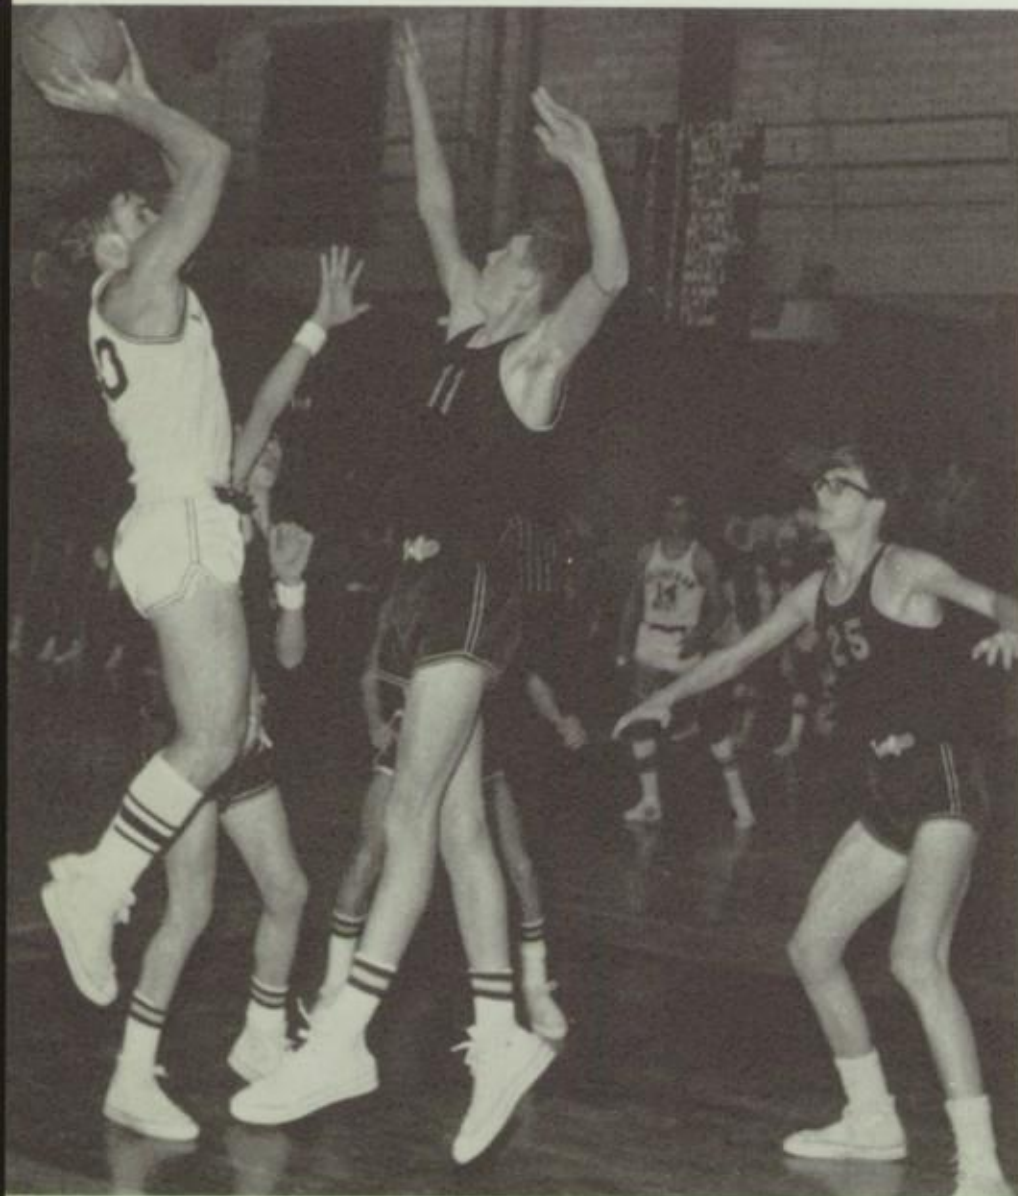

The Junior Varsity Basketball team has shown remarkable improvement since the beginning of the season. Even though their 6-10 record doesn't look that great, the J.V.'s have played some real good basketball. In two of their games they led in the fourth quarter, only to lose it in the final minutes.

But one of the games they did pull out. It was against Huron. Up until 1:44 left in the game, the J.V.'s could never manage to take the lead. But at this point they went ahead and eventually won the thriller in overtime, 70-68.

Win or lose, the J.V.'s, coached by Mr. L. Meissner, have shown team spirit and a good attitude. They are hoping that the attitude and experience they gained this year will be put to good use in next year's team.

This year's freshman basketball team at Lutheran West showed that they could improve and they did. The freshman squad, coached by Mr. W. Stuenkel, ended their season with a record of 5-7. In his first year of coaching, Mr. Stuenkel commented, "We had a good team. Their attitude was our only trouble. Sometimes we were playing good and everyone would get fired up, but if the game was a little off everyone would drag their heads. I feel we have some good ballplayers on the team and some of the boys will be a big help in our future teams." Some of the outstanding players on the team were: D. Baxter, J. Pommering and K. Frank.

Matmen Highlight

G. Glatfelter, the team's co-captain, leads the squad with his good example.

Lutheran West's wrestling team overcame a slow start to finish their season winning six out of the last eight meets. The team provided fans with much excitement throughout the season, as many matches went down to the wire.

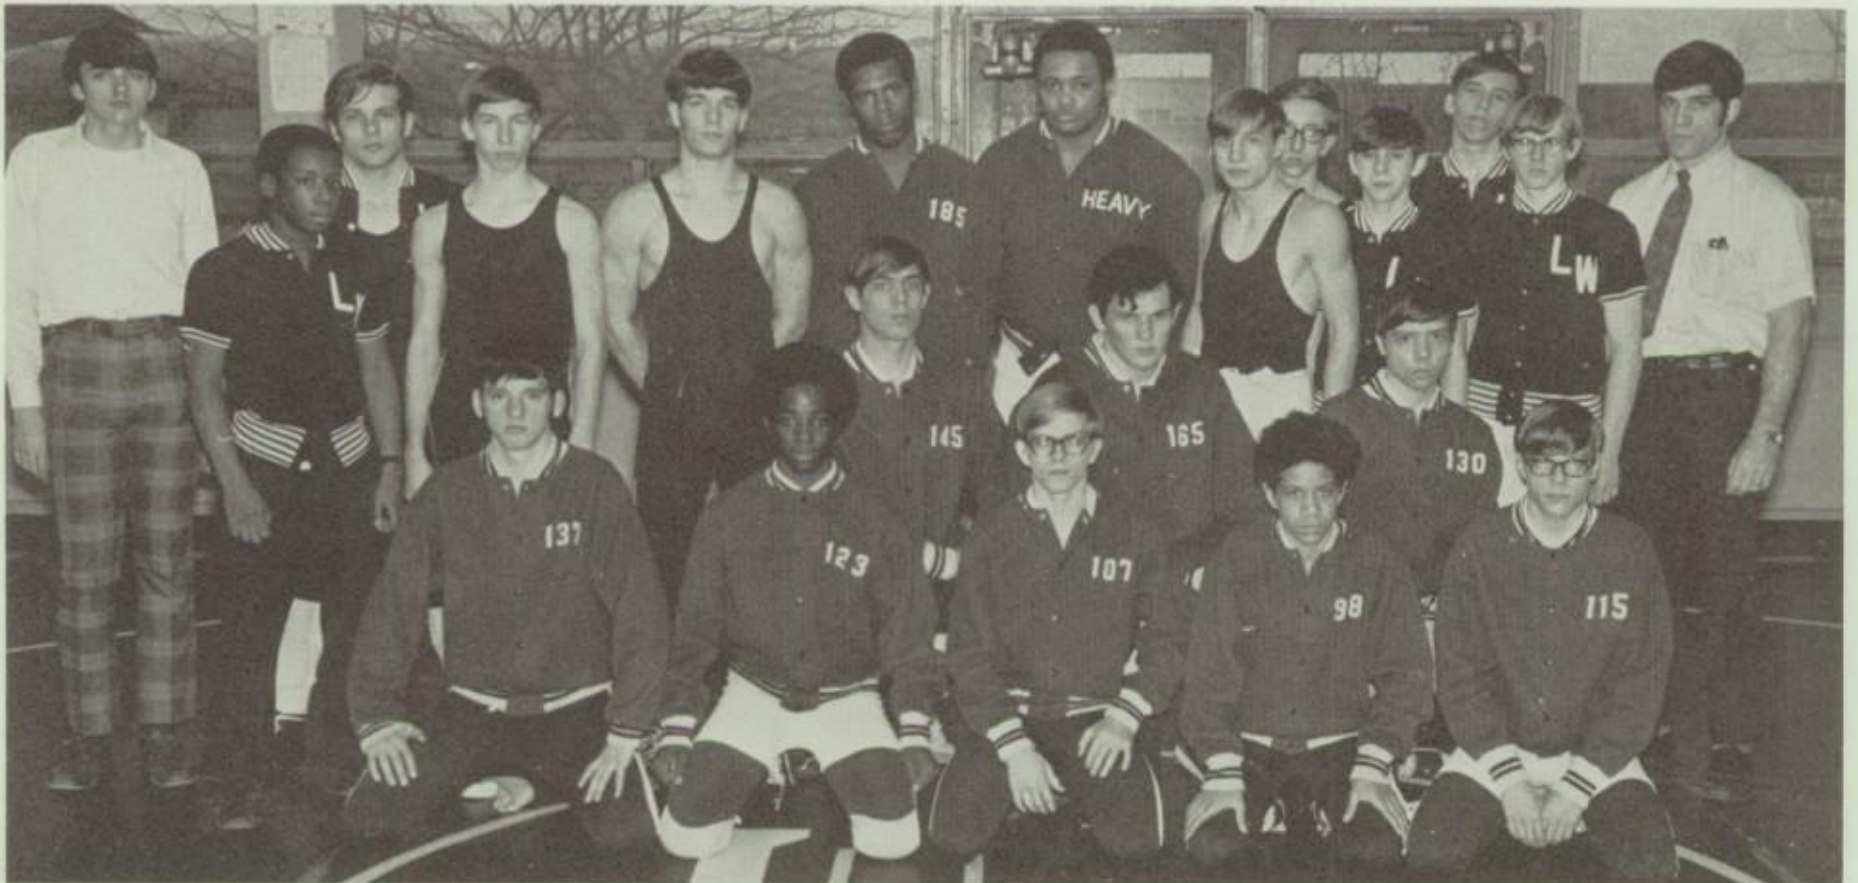

Showing the greatest strength in the lightest weights and in the heaviest weights, Coach Grauer could count on a strong start and a strong finish from his men.

Besides posting a respectable record in dual meets, West's grapplers made a good showing at quadrangular meets and invitational tournaments. Capping the Mid-Wayne league season with a strong second place showing at the league meet, West was paced by first place finishes of Mike Smith and Reese Singleton.

Led by team captains Gary Glatfelter and Dale Moser, this year's team was characterized by the will to work hard at practices, and by an intense desire to win. All wrestlers, varsity and junior varsity, put in long, gruelling hours in order to perform well on the mat.

Outstanding wrestler Mike Smith represented West at the State meet, placing first in the district meet and in the regional competition.

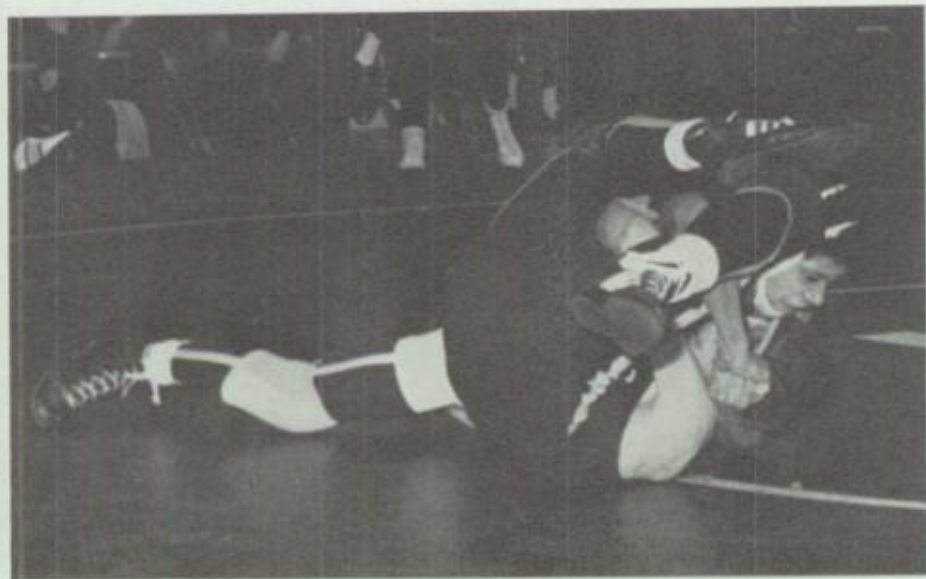

Next year's hopes also look bright because of many returning lettermen.

With so much going on in the building of the new gym, the Student Council has kept very busy.

During the Thanksgiving season, Council collected cans of food for needy families.

Some of the main objectives of the executive board were to pay the balance on the new bus, refinish the tennis courts, and build a patio. Through the efforts of the student body in the magazine and candy campaigns, the bus was paid for and funds have been acquired for the other two projects.

The Penny Drive helps many of the projects also. Once a week a collection is taken in the home-rooms and given to Council's general fund.

Hall monitors see to it that Honor Conduct study halls are kept quiet.

Many groups that get little recognition throughout the year do much to enhance the total program of the school. Three such groups are hall monitors, honor conduct committee and national honor society.

The hall monitors are a group of seniors who help keep order in the halls at Lutheran West.

The honor conduct committee does a lot of paper work for the good of the student body. This committee tabulates honor conduct applications and distributes honor cards to deserving students.

The National Honor Society is a group of students distinguished by high character, excellent scholarship and outstanding service to the school.

Many students devote a portion of each day to helping the school program run smoothly and efficiently. Among these groups are library assistants, office receptionists, attendance clerks and the kitchen staff. Their services help all of the students at West.

The library assistants make sure that books are in order, put back on the shelves and repair damaged books. They assist students in the operation of recordings, film strips and film loops.

Office receptionist and attendance clerks help the office by receiving calls and by helping take care of the attendance records.

Members of the Kitchen staff help to keep the students well-fed and happy.

Leopard Victories

What would a football or basketball game be without cheerleaders? Who else can change the random shouting of an excited crowd into a unified block of school spirit?

This year's varsity, junior varsity and freshman cheerleaders devoted much time and energy to supporting their team.

At all games, home and away, the cheerleaders encouraged the Leopards and led the student body, with their voices and examples, to show hardy support for West's football and basketball players.

These girls spent many hours after school getting ready for each game. They encouraged all to support the teams by their exemplary dedication.

Talent, Skill, Work Produce

The High-Steppers is a marching group consisting of twenty-five girls. They entertain during the half time period of West's home basketball games. This was the first year a junior, Carol Krist, was elected captain. Practices are held outside in the parking lot and football field, and in Rosary's gym when the air is cooler. The Majorettes also perform during half-time at games. The group is made up of four baton twirlers who also practice outside, or else use West's hallways. One of their best acts involves the use of fire batons during the football season, which is somewhat dangerous, but beautiful to see. Both groups practice often to do as many different routines as possible. These two well-known groups, by participating as they do, show their school spirit.

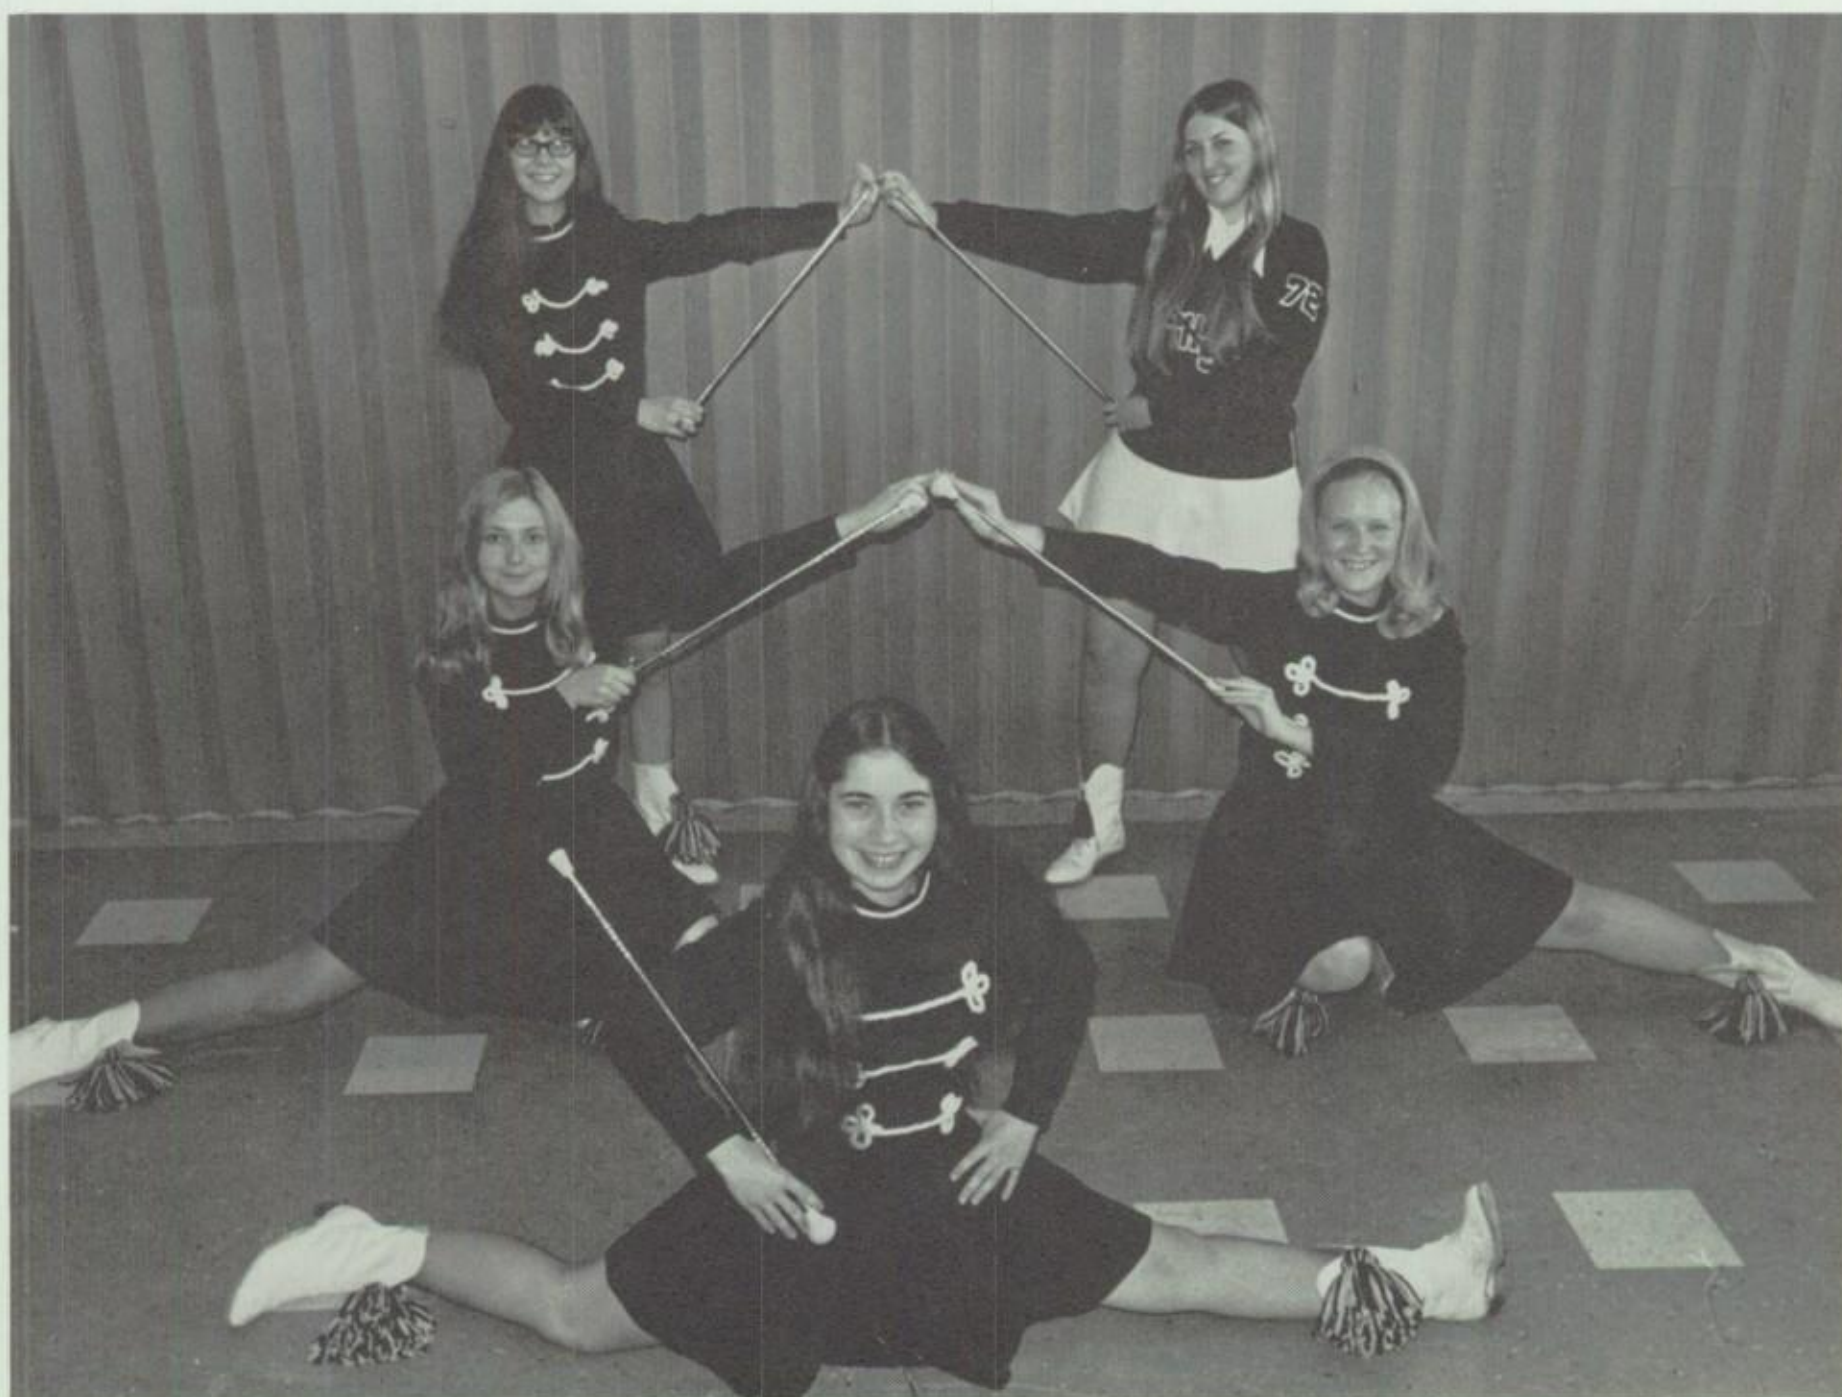

Complicated routines are used by the Hi-Steppers at many games.

Bands, Choirs Contribute Musicians

Room 121 has to be the most musical room in the school, because Choir and Band are both held there. The choir is divided into two groups, Junior Choir and Senior Choir, as is Band with Cadet and Varsity Band.

Junior Choir is made up of Freshmen and Sophomores. Their big concerts are at Christmas and Good Friday. The Senior Choir also sings for these events, but they always look forward to Choir tour as the high point of the year. This years Choir tour takes them to Ontario, Canada, with stops at London, Kingsville, Kitchener, and Toronto.

Cadet Band is the feeder band for the Varsity Band. The Pops Concert and Tri-City are their highlights this year, with Tri-City in Ft. Wayne.

Drama Club, Thespians, Provide Theater

Mortimer and his aunts inspect the famous window seat.

Two of the most active groups around West are Drama Club and Thespians. Together, they are responsible for all of the school's dramatic productions.

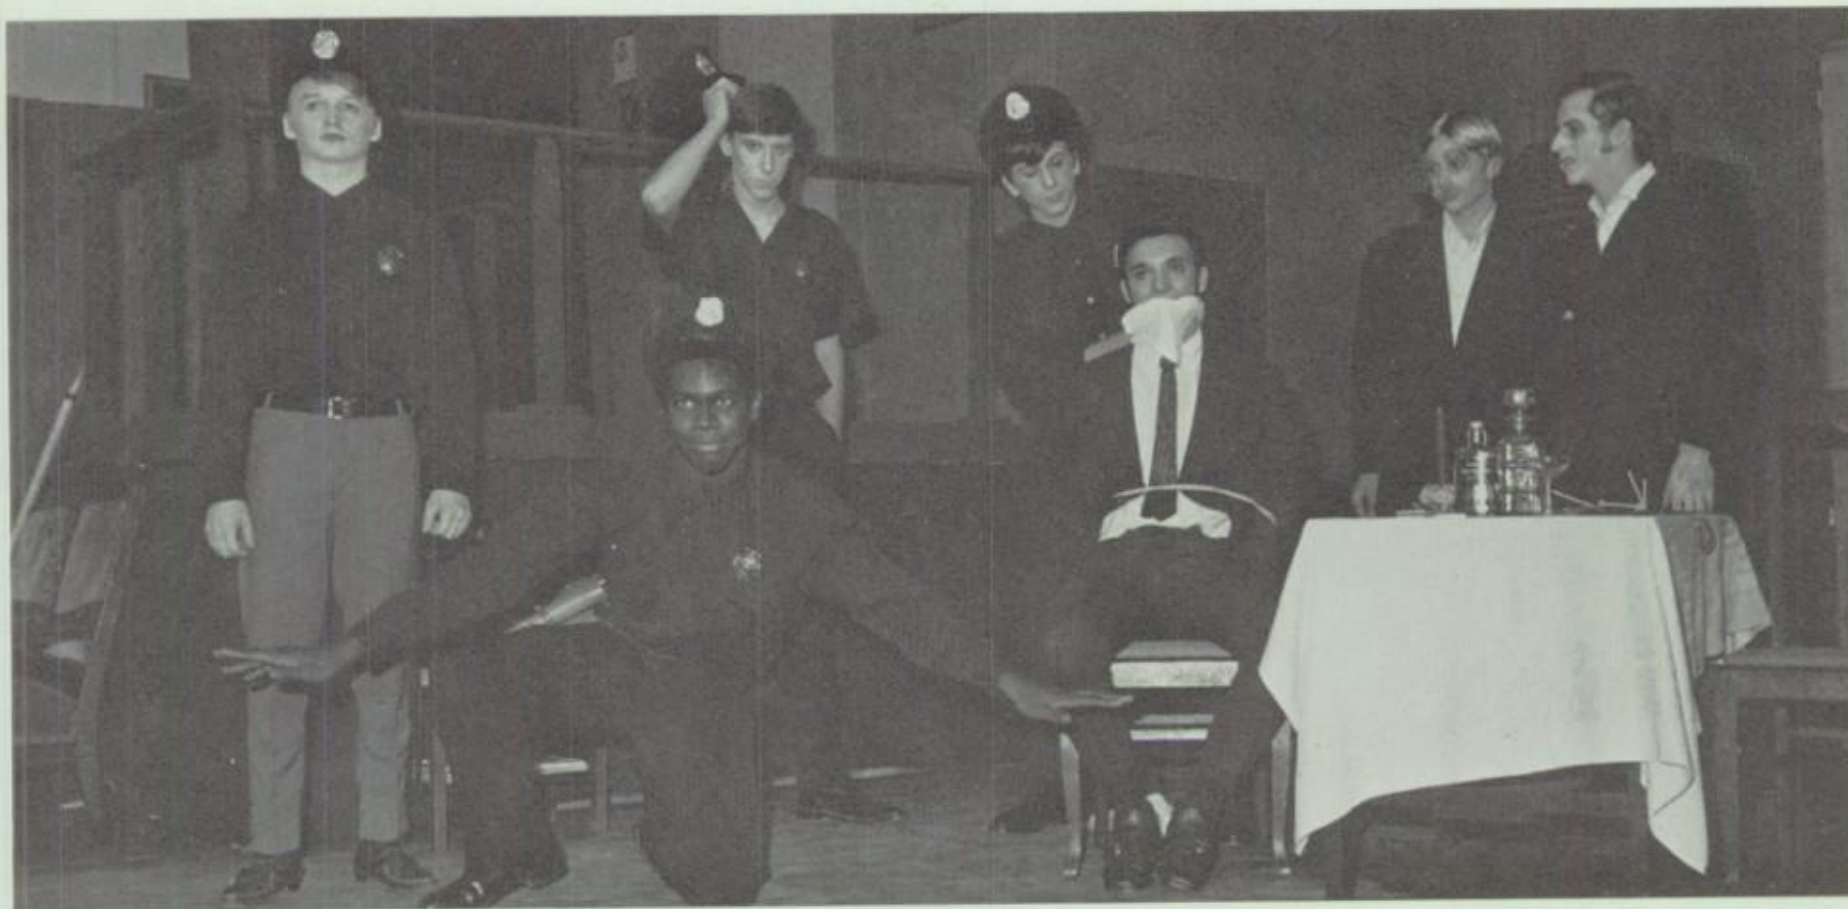

Drama Club provides many people with the opportunity to use their talents in a variety of ways. The presentation of a play demands talented directors, actors, lighting technicians, costumers, set-builders, house committees, props committees, make-up artists and many other people.

Thespian troupe 1421 is an honorary dramatic society for those who have devoted many hours of work to the school drama program. They participate in play competition with other Michigan Thespian troupes and also present West's annual dinner theater.

Clubs Promote

Fund raising bagel sales prove profitable for the G.A.A.

Get those Bagels while they last! When a student hears these familiar words, he knows that the Girls' Athletic Association is at it again. The G.A.A. sponsors women's intramurals at West, providing girls with exercise and stimulating competition.

"Fight team fight!" chant members of the Pep Club. These people encourage school spirit by making posters and sponsoring cheerleaders.

The L-Club is the club which recognizes the skill of West's varsity lettermen. Members of the L-Club offer important services on the sidelines of games, as well as important services in their sport. They usher and keep order at home football games and offer other valuable services to the school.

Strong at West

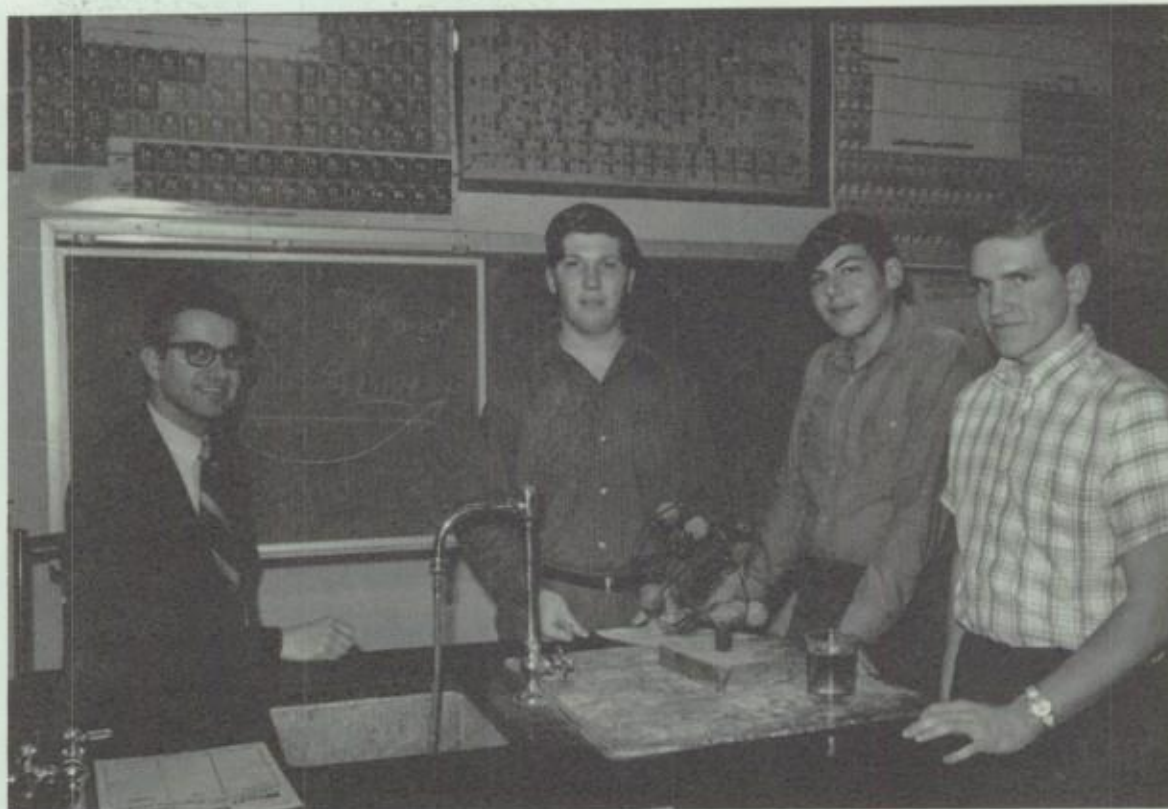

LHW offers a variety of after school activities that challenge the minds of many. Science Club, Rocket Research Society, German Club and Health Careers Club all depend on specialized knowledge.

Science Club probes the mysteries of the physical world through experimentation and discussion.

The Rocket Research Society builds and launches rockets in the interest of learning more about some of the mechanical problems of space science.

German Club gives those who are interested in this language a chance to learn more about Germany and a chance to increase their knowledge.

Health Careers Club introduces those interested in medicine to various careers available in this field.

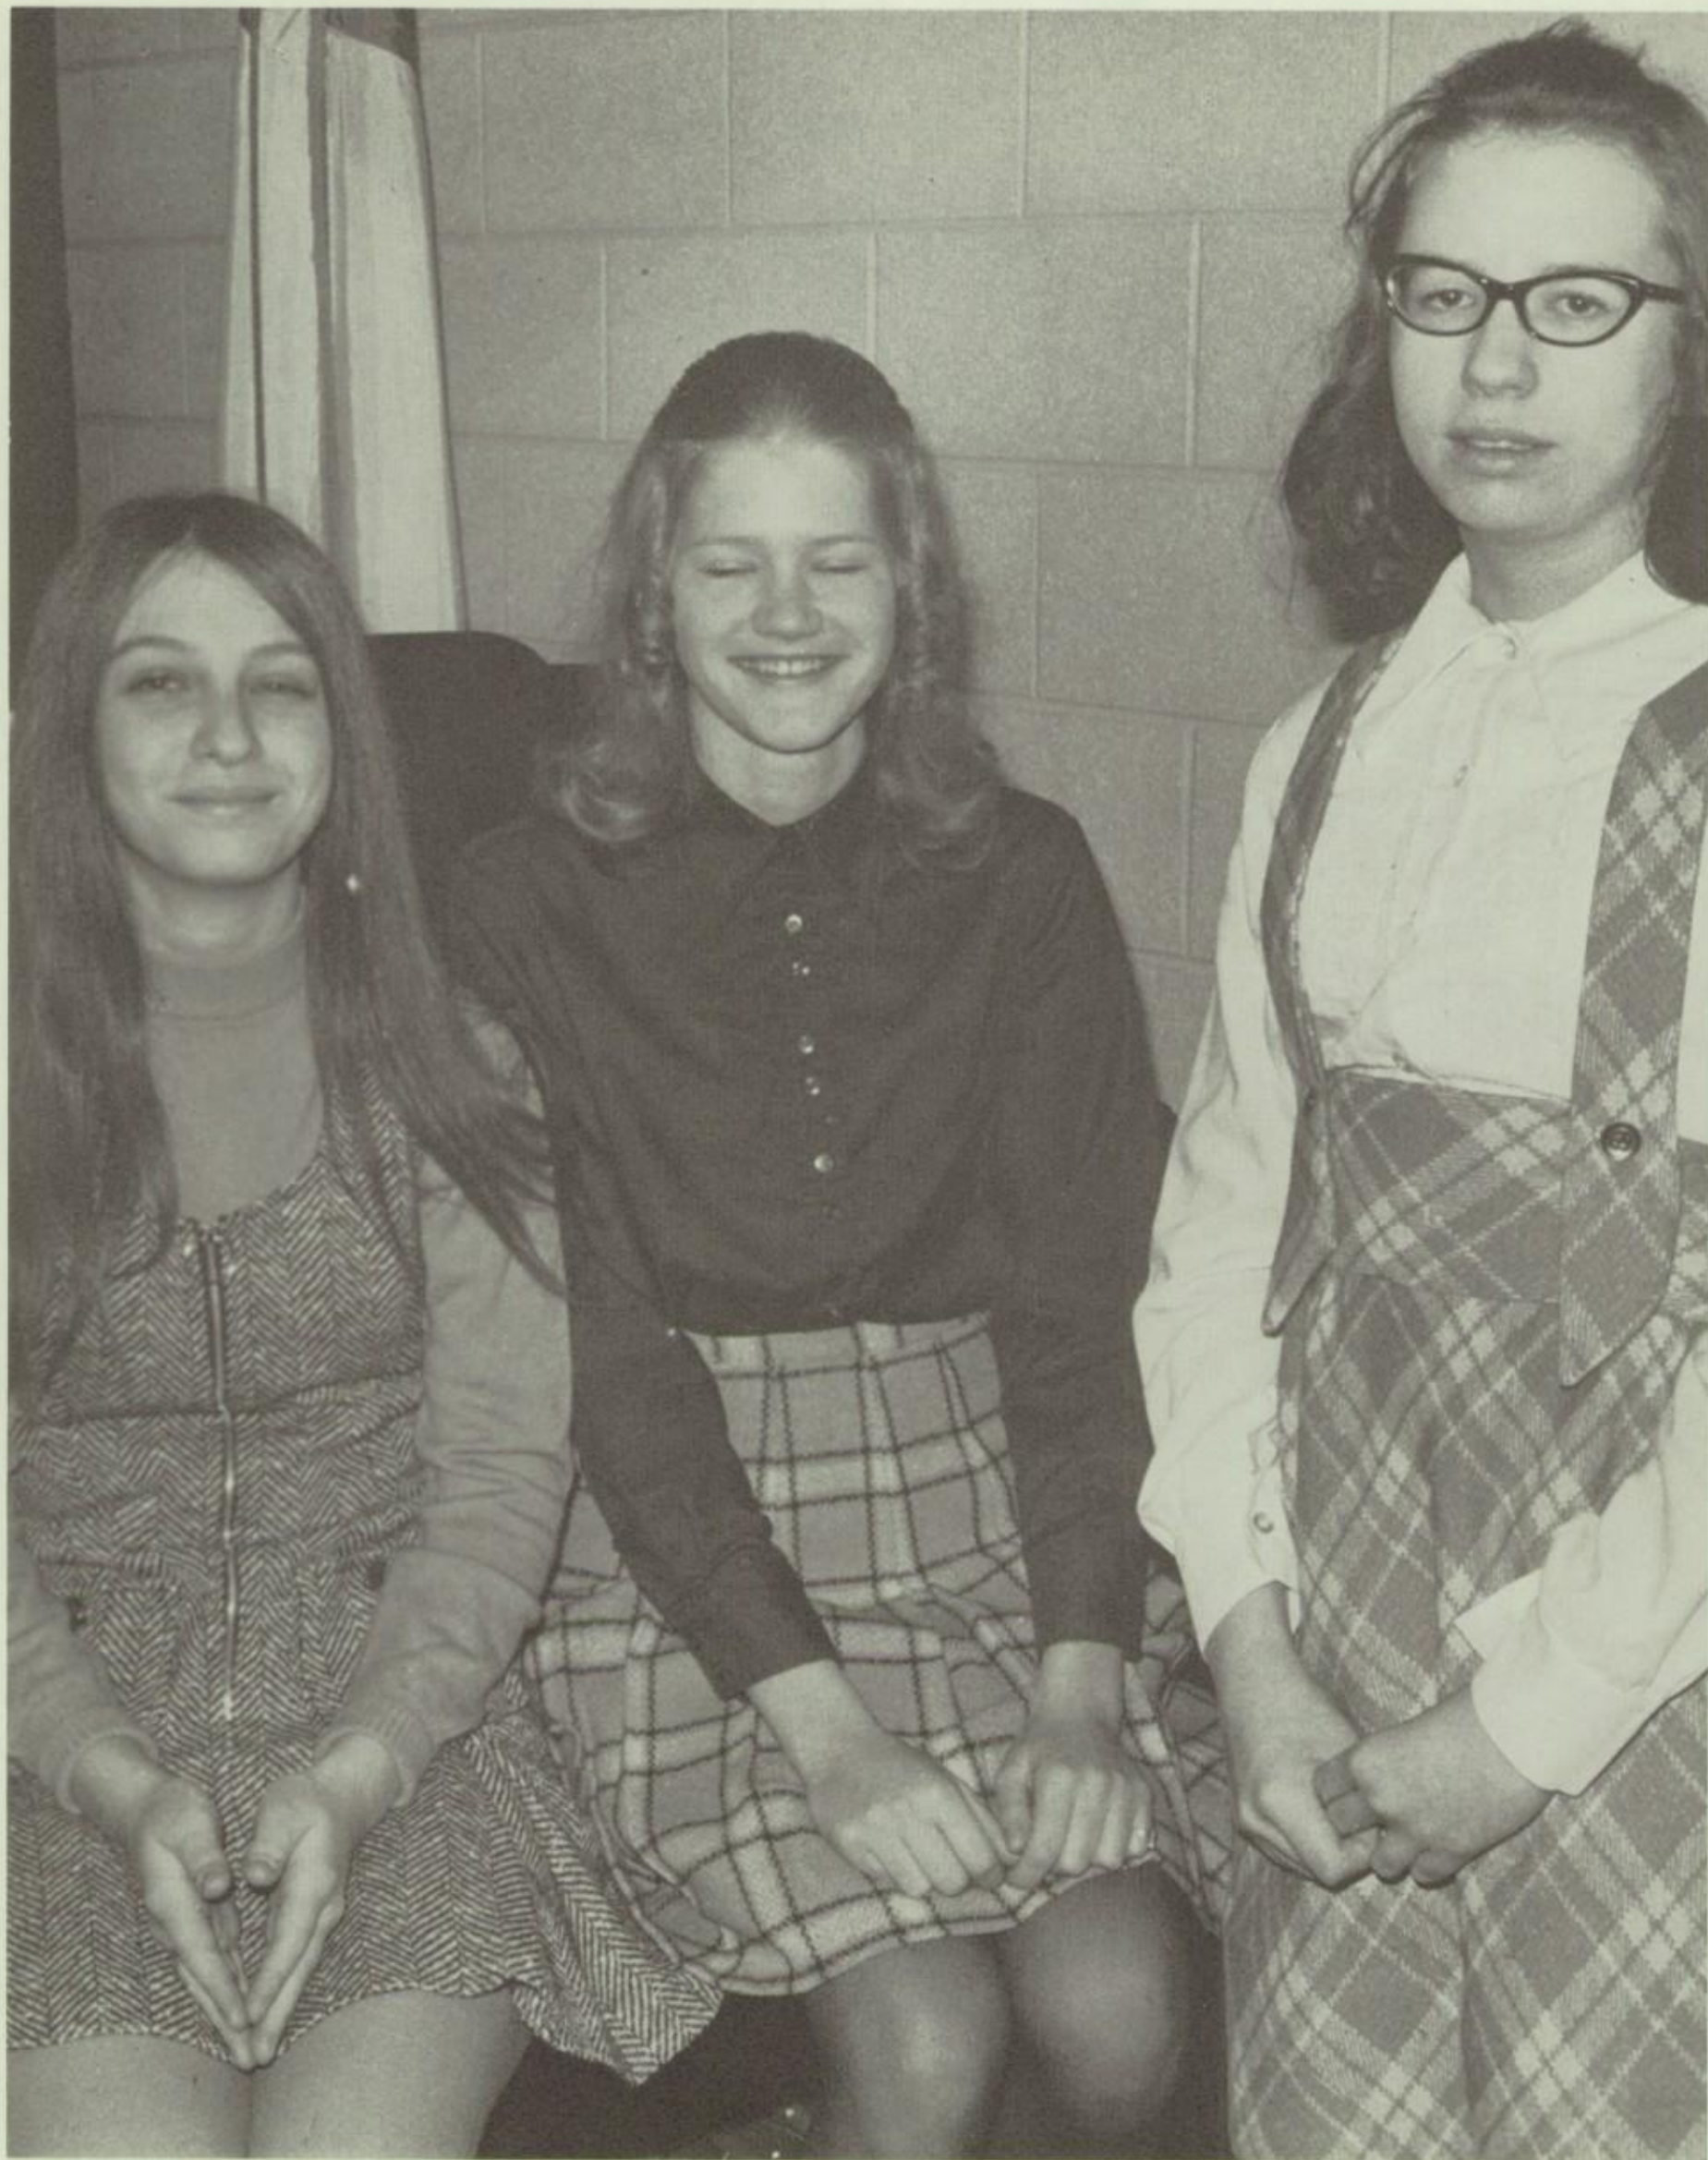

SCIENCE CLUB: Advisor Mr. K. Schmidt, F. Moeckel, R. Forbes, and T. Jones.

West Shows Many Talents

The students at West have a variety of talents which they use in their activities around school.

One such talented group is chapel organists. These people use their ability in beautifying the chapel service. They provide an appropriate setting for the service with their preludes and postludes; also, they accompany hymns.

Debate and Forensics is a new club at West. This group used their speaking talent in meeting other schools at debate and forensic tournaments.

L-3 is a group which encourages people to devote their life to full-time ministry in the church.

With such a great variety of clubs, anyone interested in using his talent has a chance to do so.

Hardworking Staffs Produce Successfu

Meet that deadline! Anyone who has worked in the field of journalism knows the sound of that warning all too well. Some of the busiest people around West are the members of the *Leopard* and *Aureole* staffs, especially a few days before that all-important deadline date.

The *Leopard* has a new look this year, with a new publishing company and a new title page. *Leopard* reporters stay busy keeping the members of the student body well informed with their monthly editions. News, sports, features and editorial pages offer students a chance to keep up with current school news and to offer their opinions on any topic.

The *Aureole* staff, unlike the paper staff produces only one thing per year, the book you are reading now! Though the *Aureole* comes out only once a year, work goes on all throughout the school term.

Aureole Editor D. Glotzhofer prepares the Ads section with Mr. Uhlig.

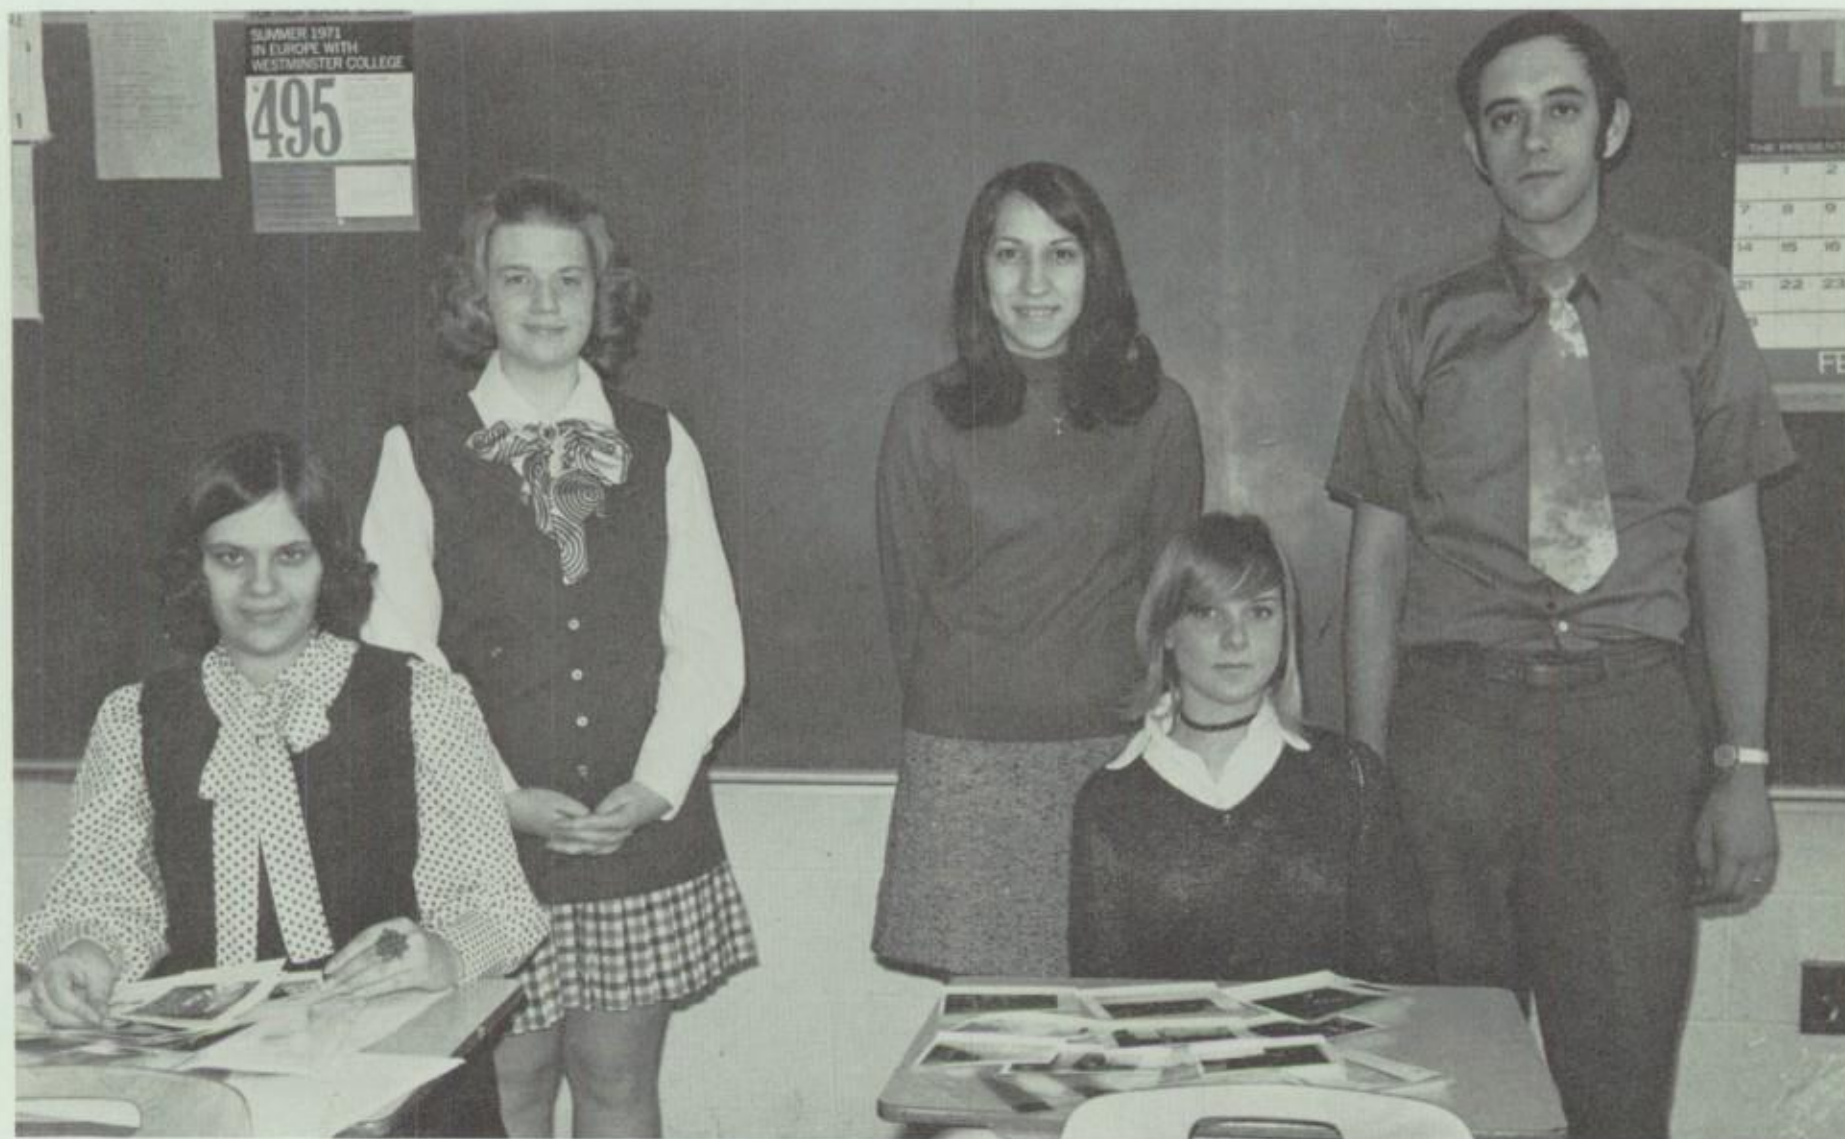

LEOPARD STAFF, SEATED: News Editor, C. Clapp; Managing Editor and Business Manager, K. Ketelhut; Feature Editor, R.

Garchow. ROW 2: Advisors, Miss P. Thomale and Mrs. M. Maynard; Sports Editor, D. Blair; and Editorial Editor, R. Zeile.

Leopard, Aureole

The Aureole staff spends many hours in the production of West's yearbook.

Activities

Growing Closer Together

Disney Characters Greet

(ABOVE), The 1971 Homecoming Queen, Kathy Goode, and her escort dance the Queen's Dance. (BELOW), Our Homecoming Queen and her court are P. Gartha, C. Godra, S. Mort, S. Reed, S. Thiede, Queen K. Goode, and B. Tuomi.

Mickey and Donald and Pinocchio and young King Arthur were present at the festivities. Many Disney characters made appearances at Lutheran West's Homecoming celebration of the Wonderful World of Disney.

Homecoming 1970 had a new look. Balloons floated around the school as each class showed its spirit on Balloon Day. Class members worked slavishly in order to prepare a homecoming skit and in order to finish their floats.

Highlighting the homecoming activities was the coronation of Kathy Goode as homecoming queen. The football team added to the glory of this occasion, with a smashing victory over Inkster.

The homecoming dance, on the heels of an impressive coronation and a football victory, was a complete success.

'Arsenic and Old Lace'

Jonathan Brewster, a wanted criminal, is captured by the police.

The play "Arsenic and Old Lace" was the first major production of the Drama Club. The play was a great comedy directed by Mr. Ralph Nitz and student director Vicki Vergeldt. Abby (Mary Hecht) and Martha Brewster (Patricia Vergeldt) portray two old women who aid lonely gentlemen to a better life beyond by drugging to sleep. Mortimer Brewster (Edward Heinrich), who is Elaine Harper's (Lisa Harquardt) fiancée discovers his aunt's secret. Mortimer tries to protect them from a runaway criminal, Jonathon Brewster (Norman Milz) and a German scientist (Scott Wolfram) who want to turn the house into a laboratory. Finally the police come to the rescue and "Arsenic and Old Lace" ends happily. This hit comedy was a complete success at West.

The Brewster sisters tempt an elderly gentleman with their Elderberry Wine.

Draws Crowds

(ABOVE), Mortimer is shocked when he learns his aunts are killers. (RIGHT), Escaped criminals capture drama critic, Mortimer Brewster. (BELOW), Entire cast takes a final bow.

Christmas Concert Successful

This year's choir concerts were both very successful. The Senior Choir started out the program with hymns of praise such as "Wake, Awake, For Night Is Flying" and "Today There Is Ringing". Cynthia Luce and Sharon Venum were featured in "As Lately We Watched" and "I Wonder As I Wander". "Psallite" was the final individual number of the Senior Choir.

The Junior Choir offered their praises To God in "Hosanna In Excelsis", "A Babe Is Born" and "Rejoice And Be Merry".

The combined choirs sang five traditional carols and four songs from the Messiah.

The first choir concert of the Christmas season was held at Mount Hope Lutheran Church.

The Senior Choir sings the processional hymn, "Christians, Awake, Salute the Happy Morn".

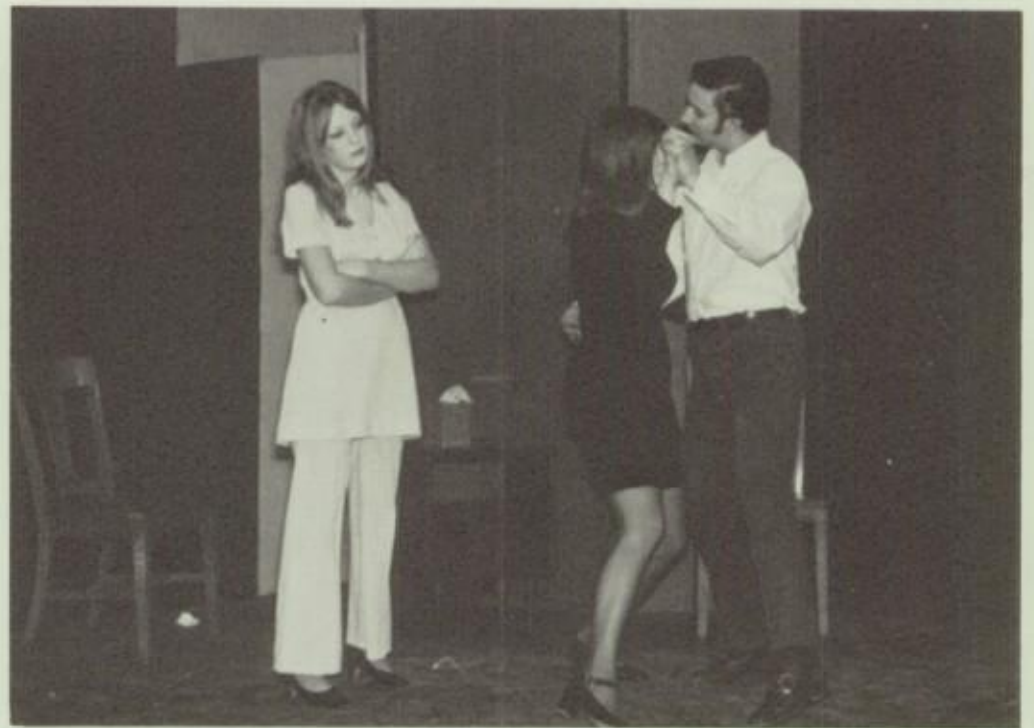

The choir praises God through their Christmas hymns.

Dinner Theater

Thespian Troupe 1421's Dinner Theater was a dramatic and gastronomic success. As the delighted audience tasted Turkey Tetrazzini, Cranberry Sauce, Dark Bread and Butter and Italian Ices, they thoroughly enjoyed an evening of four one-act plays.

Julie Grove directed two delightful comedies: "Kiss Me Quick I'm Double Parked" and "Curses The Villain Is Foiled." "Kiss Me Quick" deals with the hectic life in New York and its effects on a harried dentist. "Curses" is a classic "meller-drama" about the Goodheart family, centering around the "beautyful" love between Godfrey Goodheart and True Hope.

Norm Milz directed a serious play, "The Jewish Wife," and a comedy, "Yes Dear." His selection provided a well balanced evening of entertainment. Dinner theater at West has become an important part of Thespian Tradition.

Daughter wonders if Pa is sane in Yes Dear.

Directors J. Grove and N. Milz worked their actors hard to make the dinner theater a success.

a Success

C. Copple and J. Sales gave a strong performance.

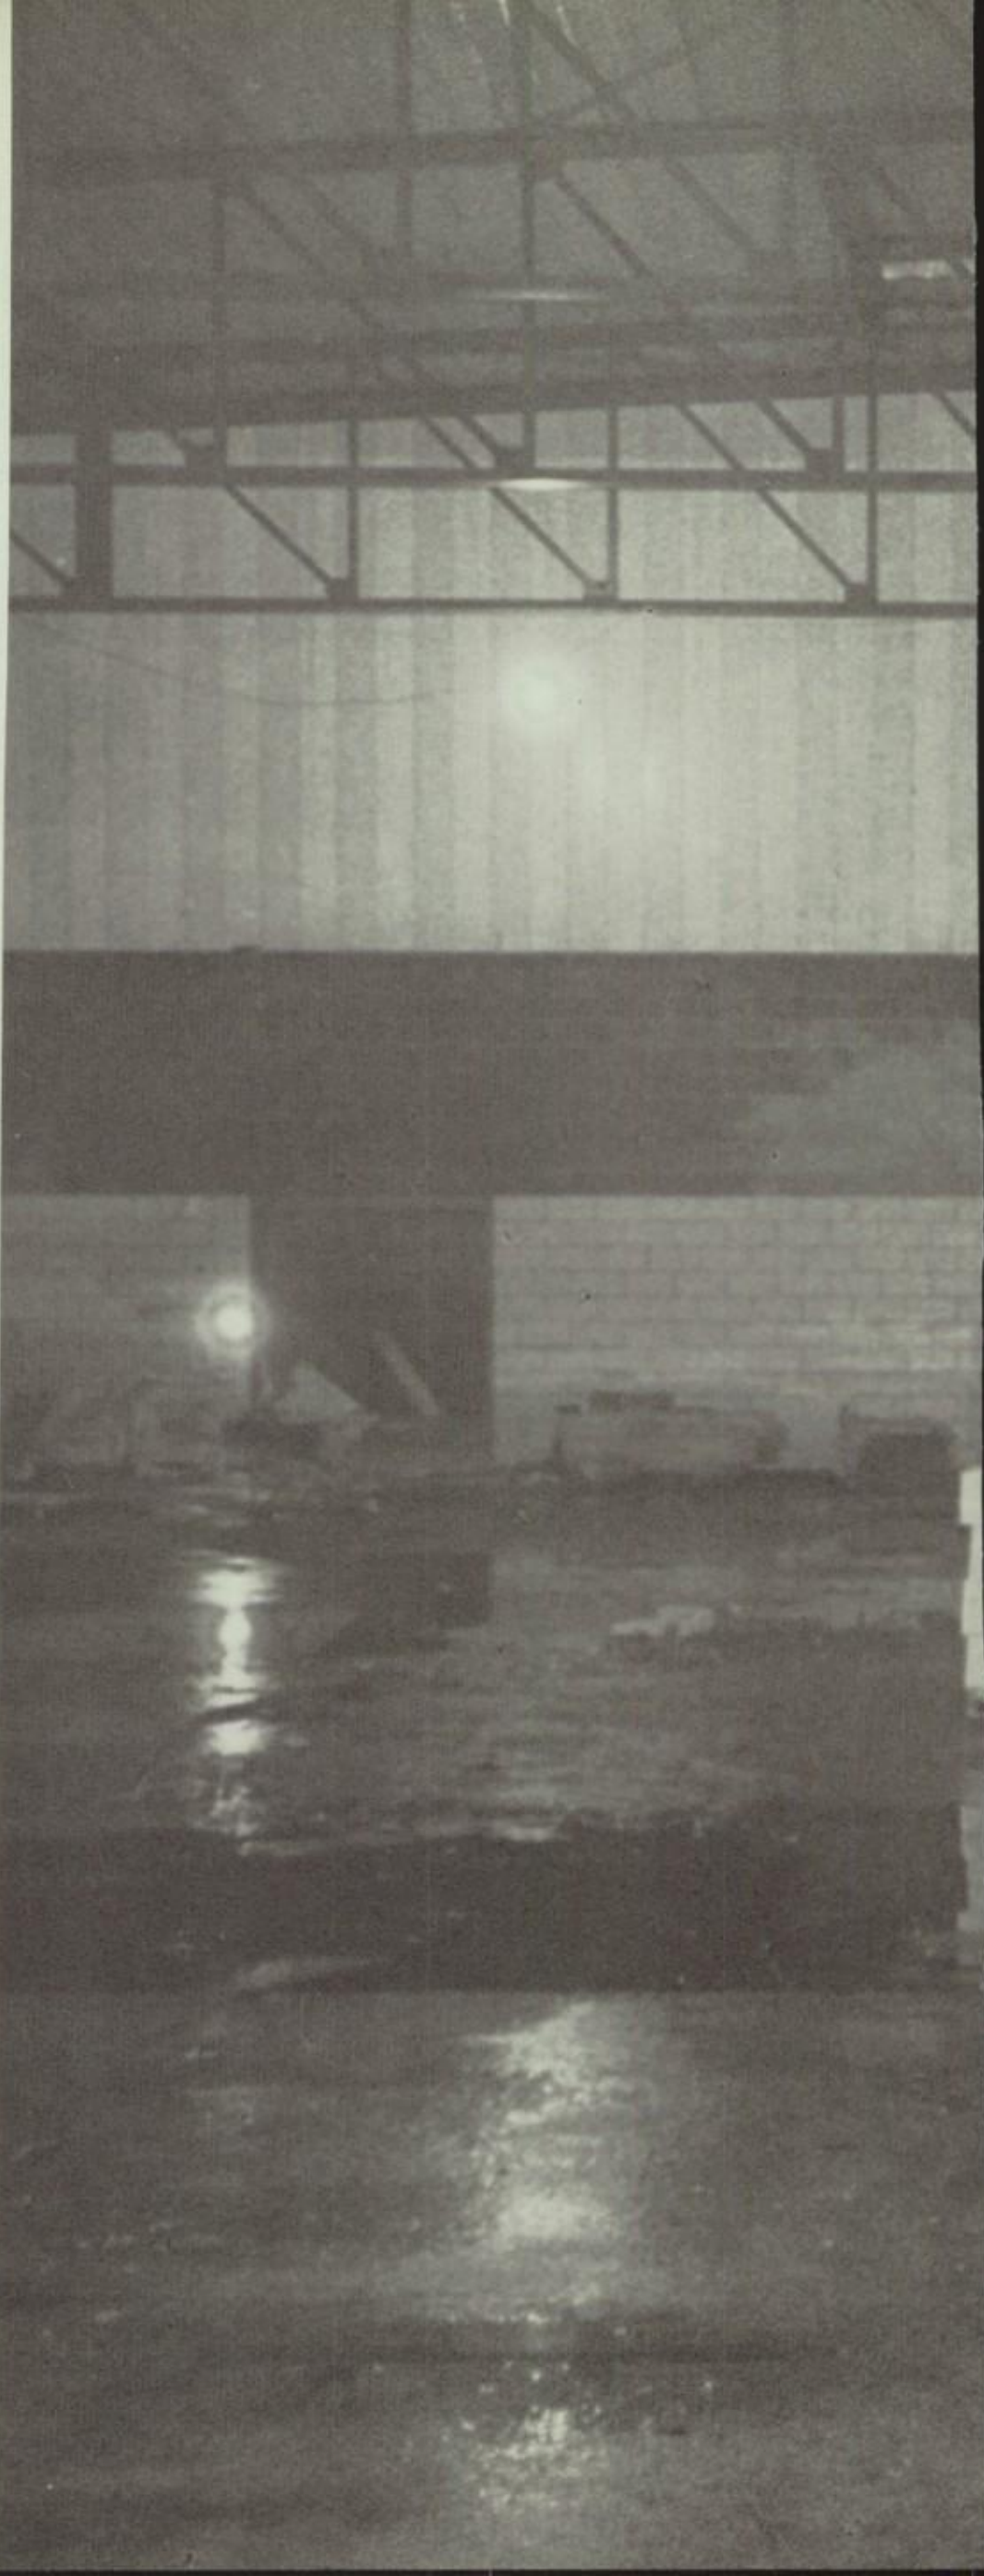

Blackie Blackman returns to haunt hapless True Hope.

A "mother's heart" senses a happy ending in the "mellerdrama" Hearts and Flowers.

You've made it

Graduation. You've gone through twelve years of school. You've studied. Learned. Participated. Now it's all over. So, what next? Maybe college, or the working world. We, of course, recommend college. Our nation needs leaders, doctors, lawyers, teachers, businessmen. But if you decide on a job, there are many places that would welcome you—and we're one of them. We have training programs which can lead to a good sound future. One that will let you make a valuable contribution. So, the decision is truly yours. Make it wisely. And whatever it is—good luck.

Congratulations

Starts Off With a Roar

This year's baseball team got off to a great start, although things slowed down towards the middle of the season. The final outcome, however, was a record of eight wins and nine losses.

Especially helping the team this year was sophomore John Poloni, who as pitcher, won seven games for the Leopards, and made the all conference first team. Also of importance to the 1970 team were sophomores Leon Druckenmiller and Dave Westfall, who made the all conference second team. These boys, along with the rest of the team, and Coach Aumann, gave the Varsity Team the fine spirit they displayed throughout the season.

Pitcher J. Poloni wins another game.

Another run is scored for West.

Track Team Has Perfect Record

Jerry Hill gains more points for West.

Track teams at West have been known for the outstanding seasons, and this year's team was no exception. With a record of eight wins and no losses, they later went on to be first in the All-League meet and second in the Regional meet. This was done with the help of many seniors who will be missed in future seasons as well as underclassmen who gained experience also for next year. However, most important was the coaching assistance given by both Mr. Erwin Ruth and Mr. Bill Mueller.

Because of their fine record, team members had a high amount of school spirit. Spirit was also boosted by the spectators who came to view the events.

A pole vaulter shows skill as well as grace.

The disguised Prince and Cinderella meet for the first time.

Kathie Kushel as Cinderella and Rick Wolfram as the Prince dance at the Royal Ball.

Enjoyed by All

As their final production of the season, the Drama Club presented the Rodgers and Hammerstein musical, "Cinderella". Although the Club has presented several other musicals in the past, this particular show was the first to make use of choreography, as seen in the "Transformation Ballet". This, as well as its many beautiful songs, helped to make "Cinderella" the success it was. Although commonly thought of as a fairy tale, it was enjoyed by young and old.

Portia tries on the glass slipper in vain.

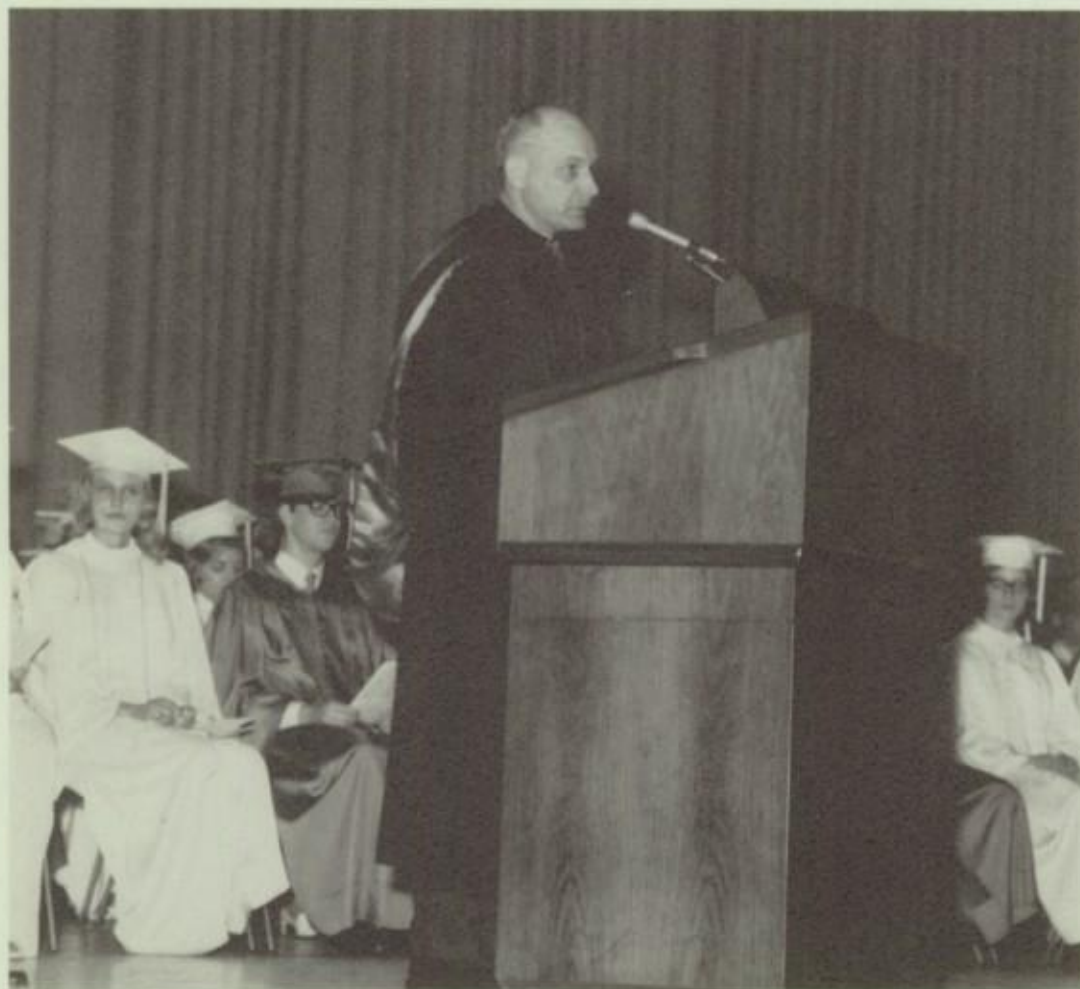

The dancers transform Cinderella from rags to riches.

The marriage of Cinderella and the Prince is approved by all.

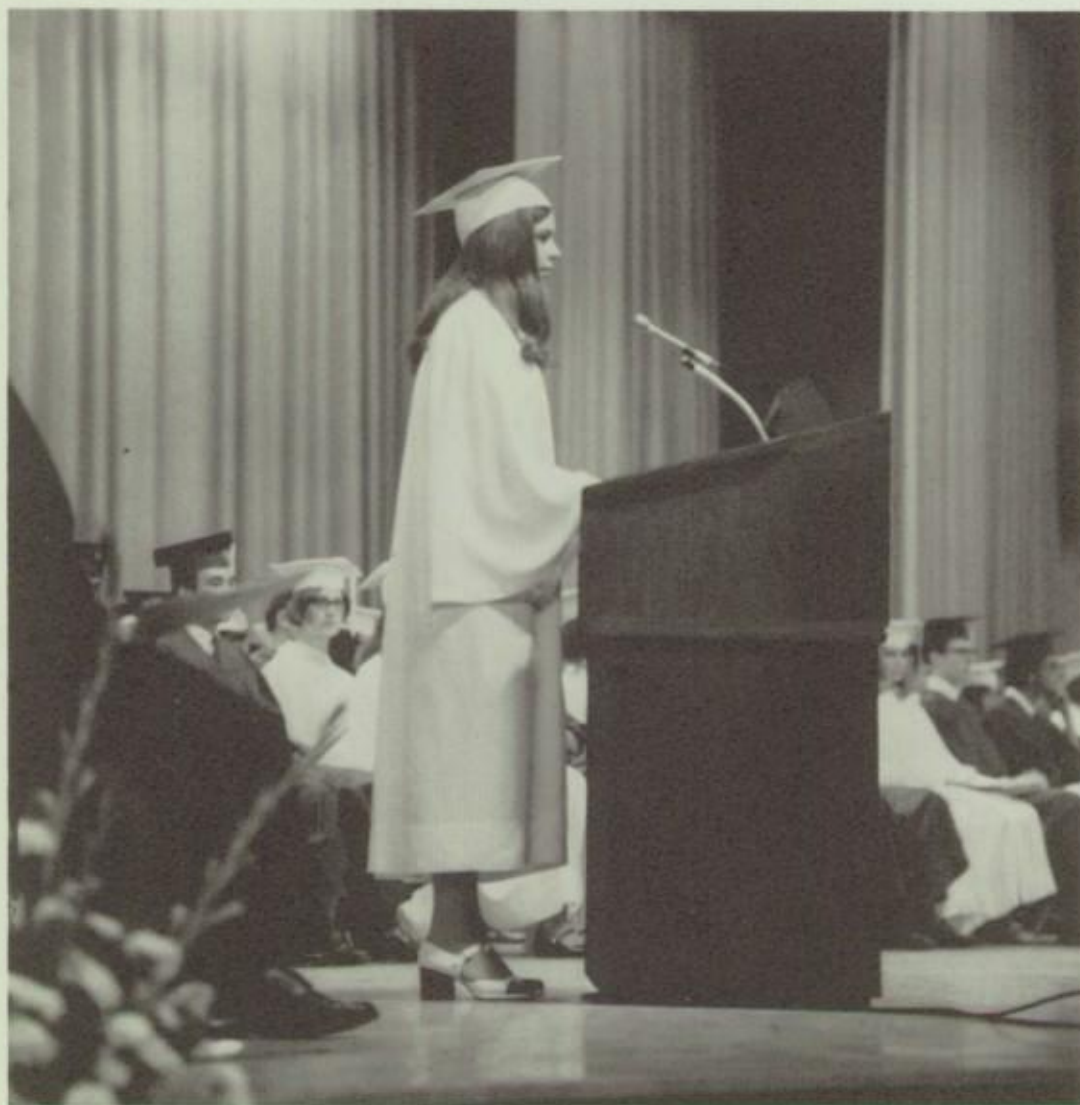

Graduation and Baccalaureate

Superintendent Stelmachowicz speaks to graduation audience.

The Baccalaureate Service for the class of 1970 was held at Guardian Lutheran Church on the evening of June 2. In caps and gowns, seniors filed in solemnly and sat in front pews. Pastor T. H. Voss was liturgist for the evening and gave the invocation. The class song was sung by the class and directed by senior Gary Foxe. Another group sang the well-known religious folk song, "Turn, Turn, Turn". Guest preacher for the evening was Pastor Miller, whose inspiring message to the seniors will long be remembered by all present.

Commencement exercises were held at Ford Auditorium on the evening of June 4 with seniors from Lutheran East. High points of the ceremony were the speech from the valedictorian Marga Helder, the singing of the Lutheran High Hymn by choir members from Lutheran High East and West, and the address by Rev. Carl Mehl. The moment which seniors had been looking towards for four years, however, was the awarding of diplomas by Mr. Wied, signifying that they were now high school graduates.

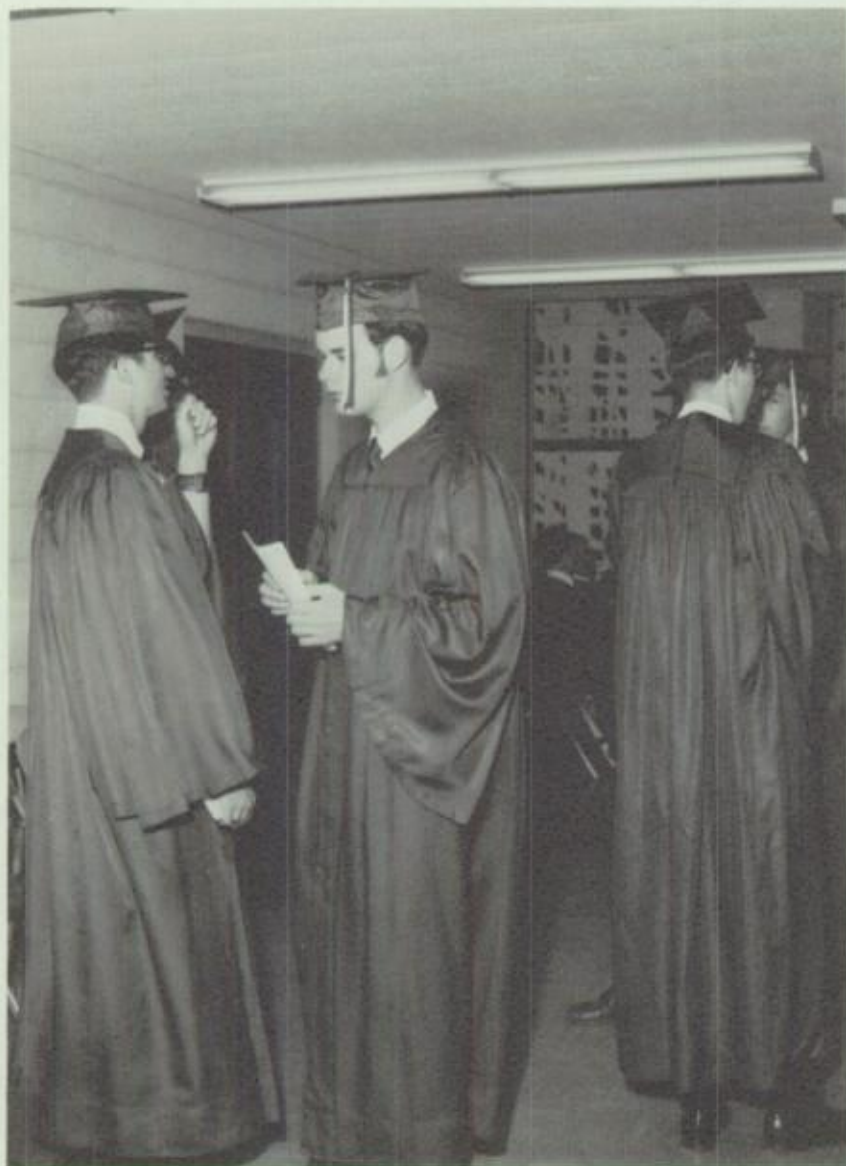

Valedictorian Marga Helder speaks on "Our Fabulous Future".

Friends chat before the big moment.

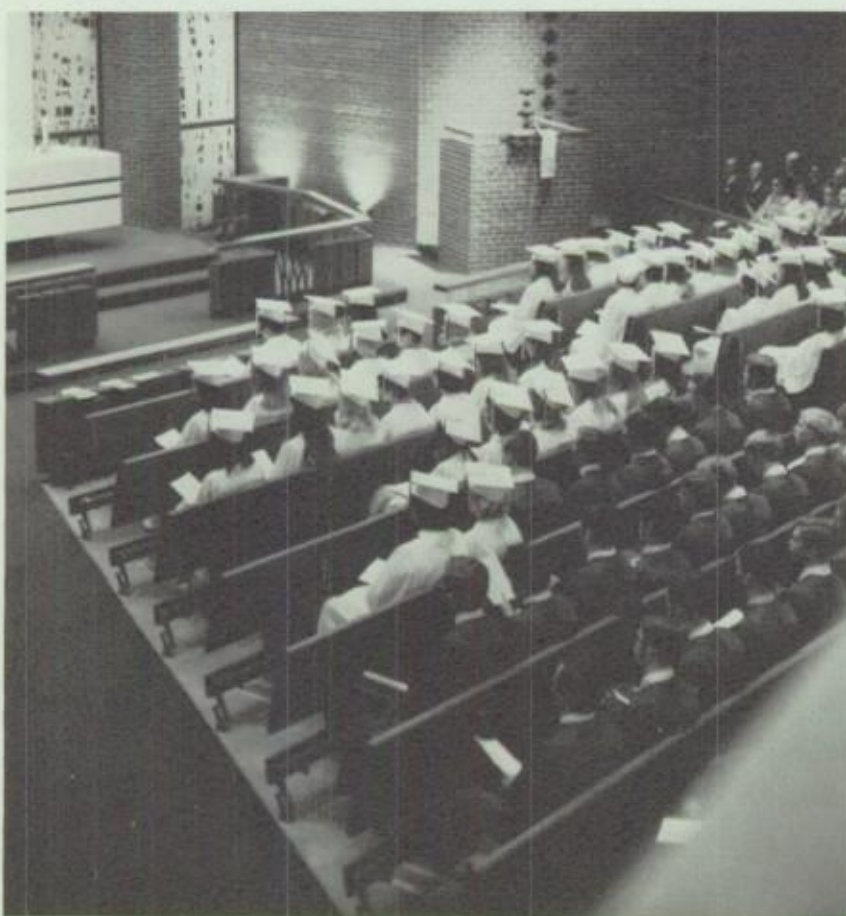

Solemn Nights to Remember

Roger,
Well Physics
is ours & we are
free. Now do you
feel now. You'll be
a good friend to me,
and I'm sure you'll always
have friends wherever you go
cause that's the sort of person you
are. Use what God gave you & may
He bless you always.
Love, Brenda

Roger -

We've had a lot of fun together this year and I really enjoyed it. But now it's time to part. Hope you always have the best. Bye Bye and Be Good.

Love ya

To Roger,

Just think you've survived 56 E. Hopefully Ohm's Law was not a pain to make you think of me as a stain.
Good luck, you'll need it.

Fred '71 is
fun when
you're done

Roger,

To a smart kid who I sat next to in chem. God bless you forever.

Mom

Roger,
For all the times you helped me in Math (both of them) I thank you. I will always remember how many times our names were confused. Good Luck & I hope to see you sometime.
Jim

Roger,
You've made it through four years & I hope you have as much luck for another four. Good Luck I don't work too hard at the F.P.H.
